Aegean Klismos Chair

Mally Skok
 for
 DOWEL

My dining chair of choice is always a Klismos chair. The Klismos chair has a splayed back leg and the simple frame that is depicted in early Greek pottery or temple friezes. I really dislike dining chairs that get you right in the center of your back. It's so unrelaxing! The Klismos chair is empty in the middle, and the generous top portion of the chair cradles your shoulders in a tender hold. -Mally Skok
