**Irish
 Child's Chair**

Mally Skok
 for
 DOWEL

I have such a fondness for children’s chairs. To me they evoke the idea of family, and the promise of future generations. I pounce on them when I come across them in antique stores, especially when they are priced just right. I have a little collection of old children’s chairs assembled in front of the fireplace in my family room. I just had to add a version of my favourite one to the collection. - Mally Skok
