## Lots Road Ottoman

Mally Skok  
for  
DOWEL

In a very smart antique store on the top of Lots Road that runs down to what is now the Chelsea Design Center, we were looking for a desk and I saw this marvelous ottoman. It wasn't an antique, but had been designed and commissioned by the owner of the shop. It has the most wonderful feet and such perfect proportions. It came home with me, it has been in my life ever since. - Mally Skok
