The V List

For Her Regal Ambitions

Careful: Offering her one of Elizabeth Gage's brilliant 22-carat Templar rings could give rise to a modern monarch.

Tanzanite and enamel tapered Templar ring with yellow and blue enamel, **peridot and enamel tapered Templar ring** with yellow and orange enamel, and **tanzanite and enamel tapered Templar ring** with orange and blue enamel, \$15,120 each; elizabeth-gage.com.

FOR THE APERITIF AFICIONADO

In a spirited salute to the one who (always) knows how dry you like your martini: an aged blend rum, Lismore crystal low-ball glasses, and the latest Rolex (slid off while working the shaker).

1. Cube wallcovering, to the trade; arte-international.com. **2. The Lacquer Company Edge ice bucket**, \$750; anyondesign.com. **3. Lismore Black low-ball glasses**, \$195 for a set of two; waterford.com.

For His Insatiable Appetite for Circulating

Designer Duncan Hughes understands the aesthetic and sybaritic promise of cocktail hour, and his Hudson bar cart can really work a room. Exquisitely crafted, whisperingly midcentury, and cunningly mobile, it's a strapping stage for displaying vintage barware, rare gins, and hard-to-find vermouths, not to mention your host's penchant for social-hour showmanship.

Duncan Hughes for Dowel Furniture **Hudson bar cart**, \$2,300; dowelfurniturecompany.com.
