

**The MII Externship Surgical Requirements:**

---

The Complete Externship Program (CEP) embodies the complete surgical and didactic work at the Midwest Implant Institute®. Affiliation of this program allows the doctor-extern to complete as many surgical procedures as the extern doctor would prefer in their live training until their graduation date.

The description below provides the course and procedure requirements to complete the CEP. Although the doctor-extern must successfully place 14 implants for graduation, the average placement in the program is 25-40 implant placements.

**The Surgical Requirements:**

---

- Two (2) maxillary anterior implant using the bone-spreading technique
- Two (2) maxillary posterior implant using the bone-spreading technique
- Two (2) mandibular posterior single implant
- One (1) Four-on-the-floor bar/overdenture patient
- Four (4) Static-guided surgical placements

**The Curriculum Requirements:**

---

- (4) Virtual Guided Surgery Modules
- (2) Virtual CBCT Treatment Planning Modules
- (1) Virtual Holistic Dentistry Module
- (2) One-on-One Sessions with Director and Clinical Mentor
- (8) Eight Clinical Shadowing Hours (Prosthetic and NP Exams)

**The Course Requirements:**

---

- Bone Grafting and Sinus Elevation
- Implant Prosthetics
- Digging Out of Problems
- Links Business
- Annual Symposium

Midwest Implant Institute is an ADA CERP Recognized Provider.  
ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at [ADA.org/goto/cerp](http://ADA.org/goto/cerp).
