DOVER JACKET AND SCROLL SKIRT

Come in innumerable color combinations; -the seven shown here suggest the range. The main fabric is a crepey crinkly rayon/poly blend with a nice swishy fall, comes in eight colors, trimmed with many colors of soft, candy-striped rayon. The lined jacket bodice is made of bengaline in two of six colors, and closed with one of the clasps shown below.

DOVER JACKET: S, M, L, XL \$175.00

DOVER SCROLL SKIRT: S/S, S/L, L/S, L/L \$90.00

FROM THE WORKSHOP

I've been playing around with a new coat after wearing WOOL CLOWNS for ten years, much as I like those. Don't know much about final styles, availability or price yet, but they'll probably range from \$200 to \$400 depending on the labor involved and the response I get. Check with us later in the year.

MEDICI, an "anti-cotte", left, A friendly robe for those who like stretch velvets and an elegant drape, but don't wish to reveal every detail of torso contour, whether any evidence of good lunches in the past reside there or not! Shown on both ladies is the same size; -with, we think, a very appealing outcome. I'm even considering a male version with a different neckline.
MEDICI: L, XL \$120.00
 Comes in the same nine dark, lush colors as **VELVET COTTE**, right.

VELVET COTTE, right, comes in nine colors of stretch velvet.
S/S, S/L, L/S, L/L \$120.00

OUR 2001 SEASON OPENS WITH OUR SPRING OPEN HOUSE MARCH 31 THROUGH APRIL 15 2001 OPEN DAILY 11 AM TO 6 PM

DEAR FRIENDS AND PATRONS:

So we made it into another Millennium! A little bruised and battered in places but like they say, it beats the alternative! THUNDERWORM INN is completed down to the last C.O. inspection, including some ludicrous contraptions that I didn't bargain for. (Well I did, but there were no bargains to be had). Still excluding pots pans and other kitchen paraphernalia. WHEN?? I don't want to talk about it. I know this:

I will not touch it until I know beyond a doubt that there will be no more radios blaring, beer bottles, styrofoam cups, construction debris, building inspectors, junk invasions! And if that fails to occur long enough before this Moresca season starts, then that's that for another year. It will happen in its own auspicious time it's too good to rush, there is no reason to rush it, and every reason to give it time and peace to become itself without compromises.

The new and glorious MORESCA WEB SITE had to defer to more immediate emergencies last year. Rumour has it that it's happening during the course of this year. Hopefully about June.

Otherwise Moresca is healthier than ever! We are working on the biggest and most diverse stock to date!

Two skirts that happen when appropriate fabrics become available at closeout cost. Skirts are fabric intensive, or they're not skirts according to Moresca standards, and fabric cost becomes more of an issue than labor, not the case for most other items.
