The Faerie Caravan

Rolls on. We're staying on and expanding. Swatches 11 through 20 below, are new for 2006. 07, 08 and 09 are about the same as last year's. We still have many of the 2005 faerie bodices in stock.

Blouse,

Bodice, Bloomers
and
Garters

The Bloomers and Blouse are made of a silky wonder called Shimmer Salin. The mill recommends dry cleaning, but we machine washed and dried them and not only are they unchanged, but wrinkles were magically removed.

The Garters (picture on page 7) are made to match the peplums and ruffles on the bodice, and can be worn with our other Bloomers, or by themselves.

They are secured with an elastic cord and beads

FÄERIC BODICE \$200.00

xl, xxl 215.00

SHIMMER BLOOMERS \$65.00

SHIMMER BLOUSE \$50.00

FÄERIC GARTERS \$50.00 set.

FAVORITE SKIRTS

By overwhelming request, we have re-made the gypsy skirt and the v-dip 2, both revised and, we think, better than ever.

The v-dip 2, with a small pattern change, fits better and comes in more colors, to go

with our newer bodices, like KHADIJA and others. 6 sizes, still \$65.00

The gypsy skirt is more wearable and elegant now. It comes in black with one color, like the burgundy, olive, and purple shown, and several others, reversing to solid black. Two lengths with adjustable waist. \$125.00

Dear Friends and Patrons,

7

The 2005 flyer was a bigger bite than we could really chew. So many complex new designs, it took us until Labor Day Weekend to actually have it all in stock. This flyer is primarily a supplement to last year's, with expansions, revisions and updates. The 2005 flyer will be available free on request for some time to come.

New for 2006 are faerie accessories, which also work with other costume, a batch of really beautiful new faerie bodices, two revised skirts and, of course our playing cards. Cleo, pirates and faeries were all so well received once we could keep up (barely), that we've devoted most of this flyer to the new and updated swatches, and most of our production time to filling in our stock.

We should have a decent spread by Spring Open House. We've opted for fewer and more adjustable waist sizes in skirts and bloomers allowing for better selections at the faires. We tested it on Cleo and results were above expectations.

BRISTOL

At the time of this writing, we have put our Bristol booth up for sale and may well have to drop the Wisconsin show due to unreasonable costs and policies. If we're doing it, the information in the season schedule applies.

Look for updates on our web site under "faires"

Wishing you all a happy and somewhat cooler faerie season!
