

Hair Detangler Spray Recipe

4 oz Recipe:

4 oz glass spray bottle
2 tablespoons vegetable glycerin
1 tablespoon vitamin E oil
filtered or distilled water
10 drops Lavender essential oil

2 oz Recipe:

2 oz glass spray bottle
1 tablespoons vegetable glycerin
1/2 tablespoon vitamin E oil
filtered water
5 drops Lavender essential oil

- 1) Add glycerin, vitamin E and essential oil into glass bottle and swirl to mix.
- 2) Fill rest of bottle with water, place spray top on and shake well to mix.
- 3) To use hair detangler, spray onto wet hair, damp hair or dry hair. Comb hair from bottom to top with wide tooth comb.
