SUMMER BREEZE LINEN

UPF 50+
sun protection

Our linen hats are perfect for staying cool and looking great on a hot summer day. Classic style in solid colours.

Linen is a natural fibre made from the stalks of the flax plant. Woven linen fabrics are strong, durable, and highly breathable.

TYVEK® RAIN HATS

Our Tyvek® rain hats are durable, lightweight, breathable and water repellent. Tyvek® is a unique non woven material designed to perform in harsh, rugged and extreme conditions. Tyvek® can resist repeated folding and flexing without tearing. A chin tie with cordlock and safety breakaway clip will keep hat on your head on the stormiest of days. Roll it up and flip the decorative elastic loop around to keep it compactly in your bag for an unexpected shower.

Compact Storage

Puffin Gear® has been making hats for over 20 years in Toronto, Canada. Our summer 2019 line reflects our love of colour and texture. All hats have a sun protection rating of EXCELLENT UPF 50+. A product with this rating blocks at least 97.5% broad spectrum UVA and UVB radiation.

GET OUTSIDE AND PLAY

Our hats are sized. An internal elastic snug allows a range of fit within each size. Size L fits most for 'a one size fits all option'.

M	22.25"	56.5 cm	7 1/8
L	23"	58.5 cm	7 3/8
XL	24"	61 cm	7 5/8
XXL	25"	63.5 cm	8

Fabrics are prewashed and preshrunk. It is always best to hand wash and air dry hats. Hats with wired brims should not be machine washed.
