# RING SIZING GUIDE

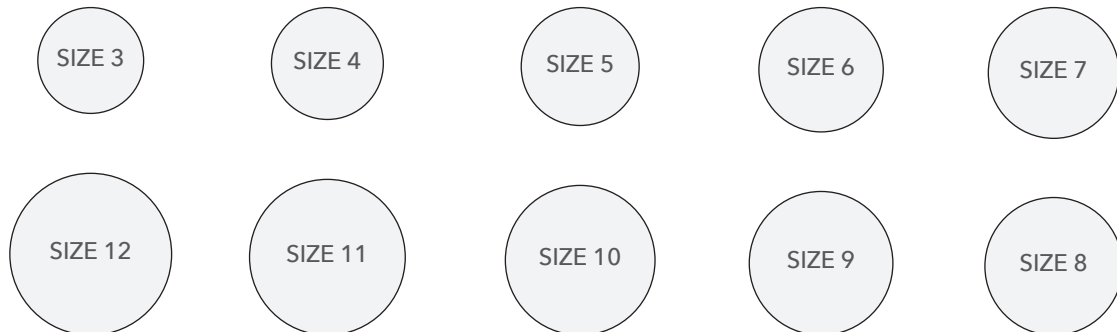

---

Please print this page without any scaling.  
In PDF: Page scaling = NONE. In Preview: Scale = 100%

To verify if this page has printed correctly, measure the scale printed below using a ruler. If the printed scale does not match your ruler, please recheck to ensure that the "scale" settings on your computer is set as specified above and reprint the page.

- ◆ To find your ring size, choose an existing ring which fits the same finger you intend to wear your new Dualitas ring on.
- ◆ Carefully place your ring on the circles below until you are able to find a close match.
- ◆ To find your exact size, the inner edge of your ring should align / touch the circular line below.

- ◆ If your ring is between two sizes, select the larger size.
- ◆ If you need further assistance or have questions, please contact: [life@dualitas.com](mailto:life@dualitas.com)
