

# GRATITUDE WREATH

Create a Thanksgiving family tradition.

1. Print on card stock with a color printer.
2. Cut out shapes and place on dinner plates along with a pen. *(Acorns are extra decorations.)*
3. Ask guests to write what they are thankful for on the back.
4. As guests read aloud what fills them with gratitude, they may add their shapes to a centerpiece wreath or clip to a banner. Or, glue to toothpicks and use as cupcake toppers.
