

# SPIRITUAL BOUQUET CRAFT

1. Color and cut your flowers. Get creative! You can use patterned paper, glitter, 3D objects like stickers and poufs.
2. Write your prayers or affirmations on the circles, color, and cut them out.
3. Glue the front of the flower to the craft stick.
4. Turn it over and glue your affirmation circle to the back of the flower so the craft stick is in between.
5. Place in a vase for self-reflection or share them with friends and family!
