

Measuring For Yardage Estimates: *Dining Chair/Stool Seat Cushion*

Customer Name/Email:

Based on your measurements we're happy to offer a recommendation for the approximate fabric yardage you'll need for your project. Simply measure your space, fill out the fields bellow, and send this form to our Design Help email with the following information. Feel free to attach a photo of your space, as well. If you have specific questions that this form does not cover, please reach out via email.

Please note: Tonic Living does not offer custom sewing or upholstery. This is a basic estimate for budgeting purposes and may not be the exact quantity you require. Before purchasing fabric we recommend that you consult with a professional sewer.

Desired fabric names(s):

A:

Chair seat width (widest part)

B:

Chair seat depth

C:

Chair seat height/thickness

Total # of
Chairs:
