

Biofield Viewer (BV)

Experimental Group

Case No. 1

HGH2977033994 BF

HGH2977033994 AF

ANALYSIS: increased in the healing pink is a positive shift. Energy levels of heart chakra and naval chakra has increased after using Hedron. Low energy seen in the lower jaw has reduced.

Case No. 2

HGH326482713 BF

HGH326482713 AF

Analysis: Rearranging of energy can be seen in the naval chakra and solar plexus.

Case No.3

HGH5477251082 BF

HGH5477251082 AF

Analysis: Positive changes on energy levels can be seen in the Brow chakra and solar plexus.

Case No. 4

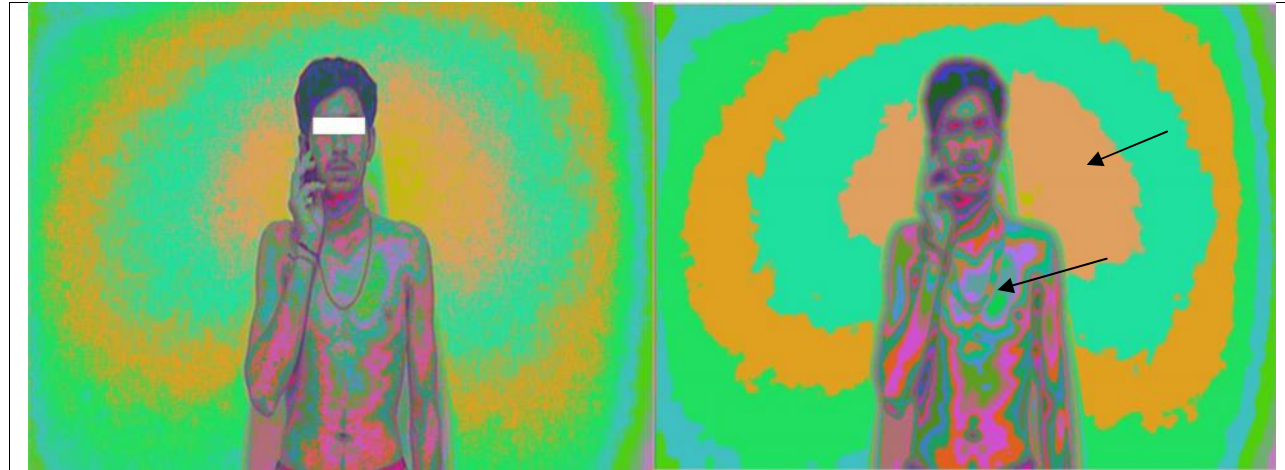

HGH6191864451 BF

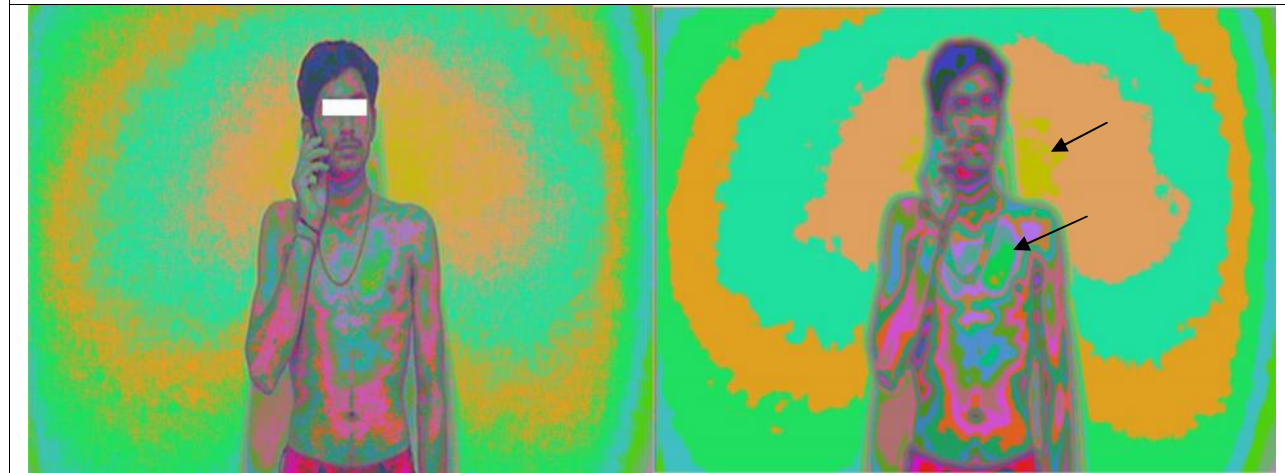

HGH6191864451 AF

Analysis: Improvement in the biofield can be seen in after scan. positive changes on energy levels on brow chakra and naval chakra can be seen.

Case No. 5

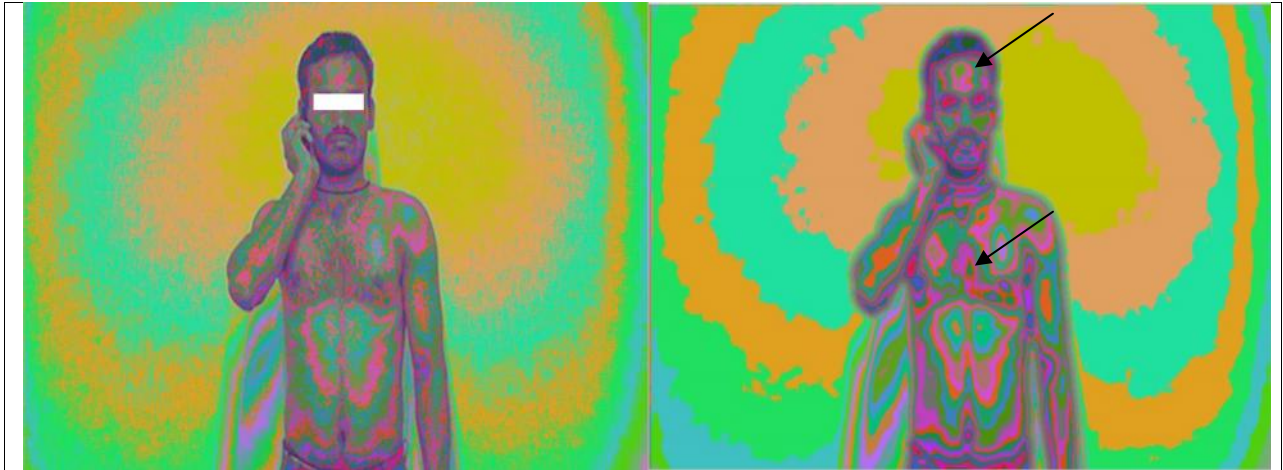

HGH9060049413 BF

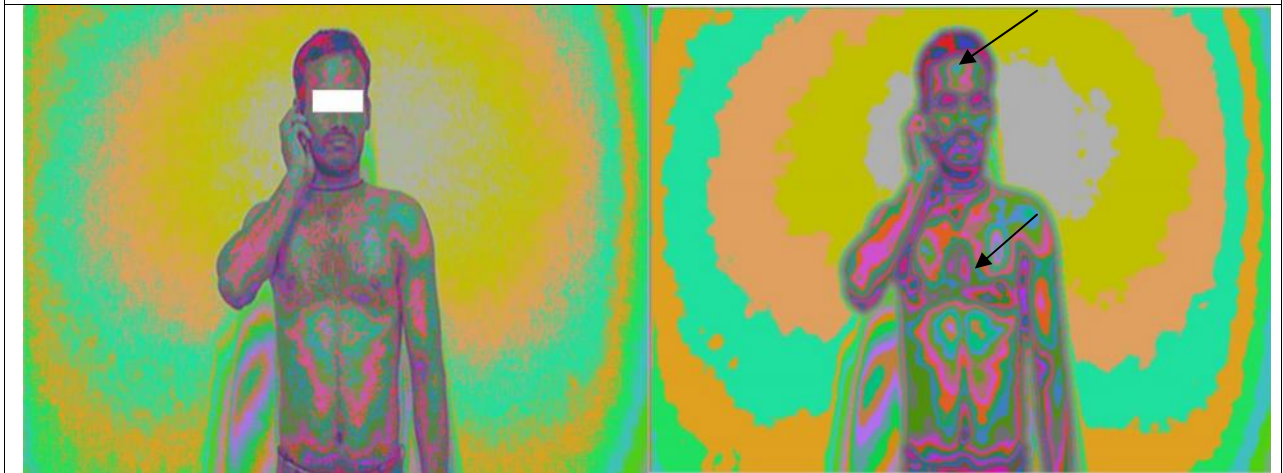

HGH9060049413 AF

Analysis: Improvement in the biofield can be seen in after scan. positive changes on energy levels of lung fields can be seen.

Case No. 6

HGH1482128040 BF

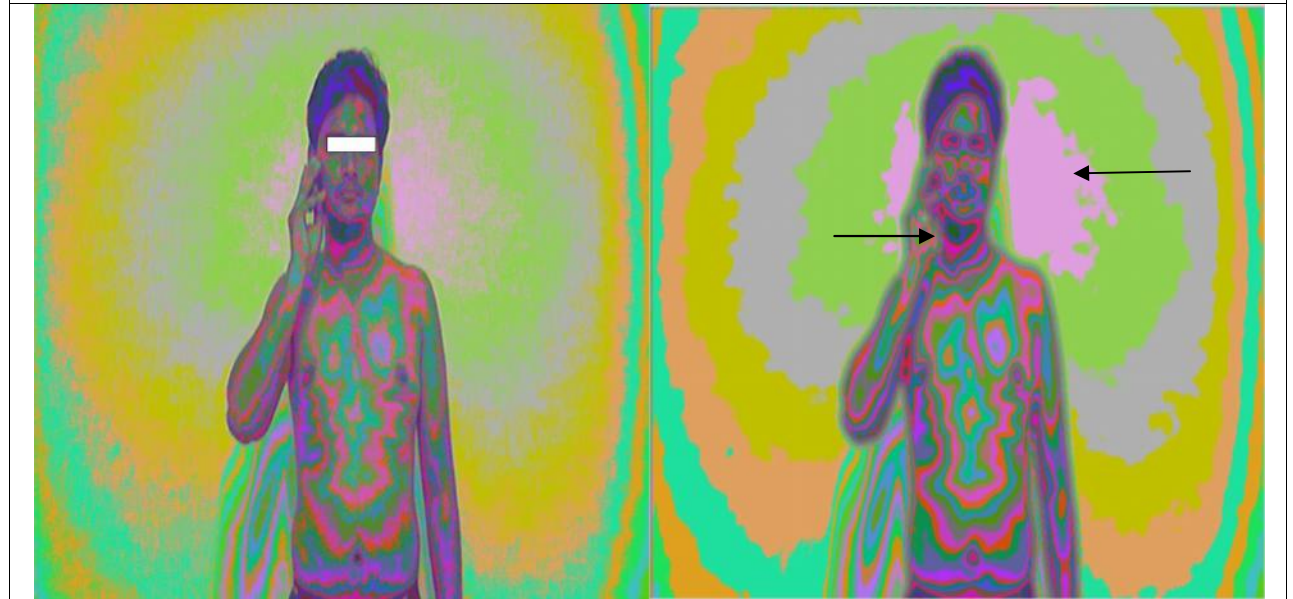

HGH1482128040 AF

Analysis: Low energy seen in the brow and heart chakra has decreased in after scan.

Case No. 7

HGH8882145435 BF

HGH8882145435 AF

Analysis: Appearance of healing pink in the biofield in the after scan is a positive change. Low energy in the throat chakra has reduced in after scan.

Case No. 8

HGH1242467741 BF

HGH1242467741 AF

Analysis: Low energy seen in the upper jaw and heart chakra has reduced in after scan.

Case No. 9

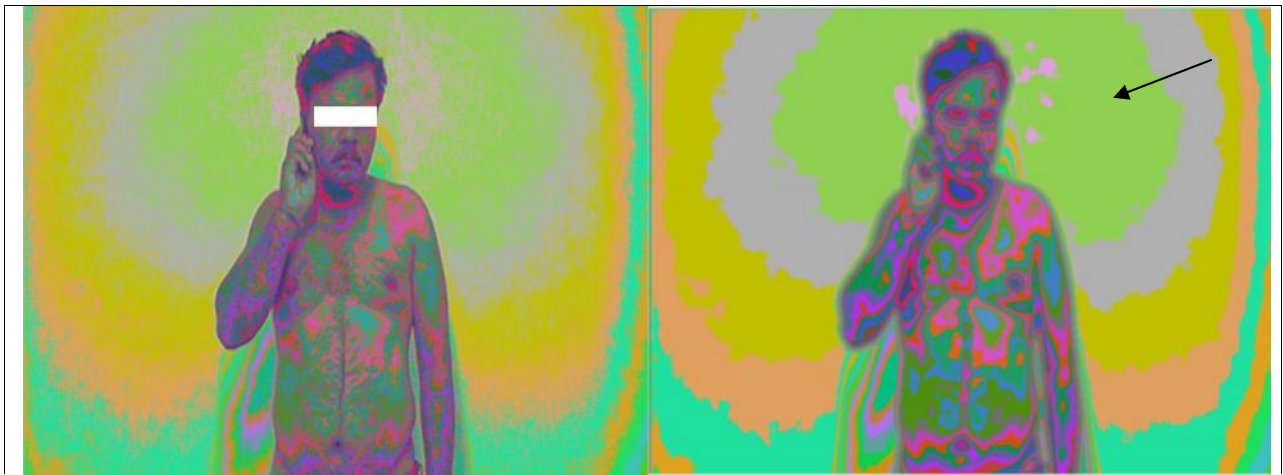

HGH9458440565 BF

HGH9458440565 AF

Analysis: Positive changes can be seen only in the biofield. Minimal changes are seen on chakra level.

Case No. 10

HGH4725267826 BF

HGH4725267826 AF

Analysis: Density of the positive green and healing pink has increased in after scan.

Case No. 11

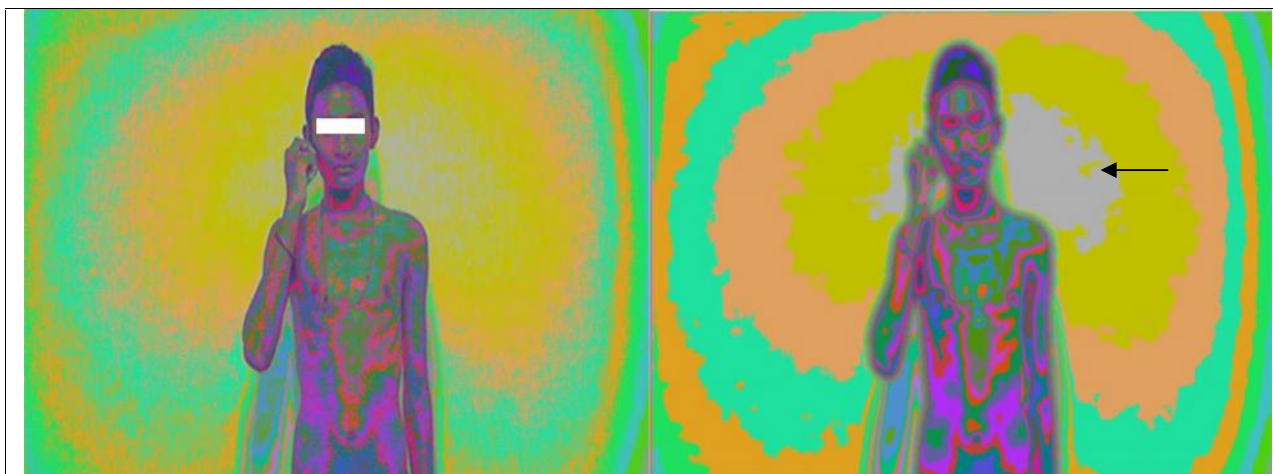

HGH2243603993 BF

HGH2243603993 AF

Analysis: Mixed changes can be seen.

Case No. 12

HGH8615682629 BF

HGH8615682629 AF

Analysis: Appearance of yellow band in after scan is a positive shift.

Case No. 13

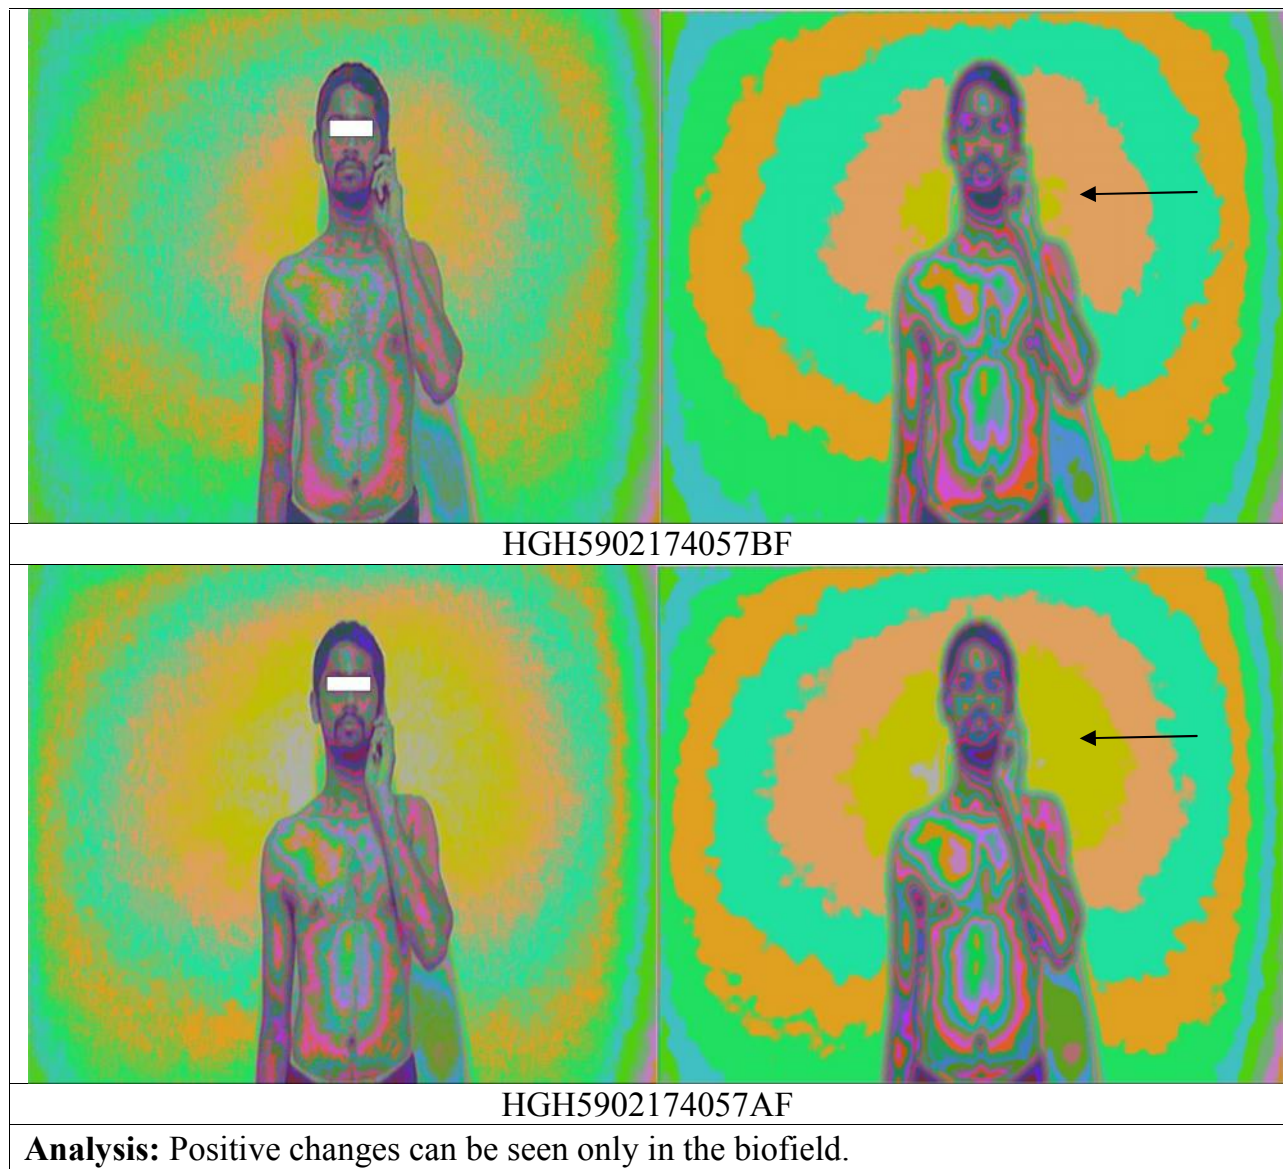

HGH2371569005 BF

HGH2371569005 AF

Analysis: Appearance of yellow band in after scan is a positive shift.

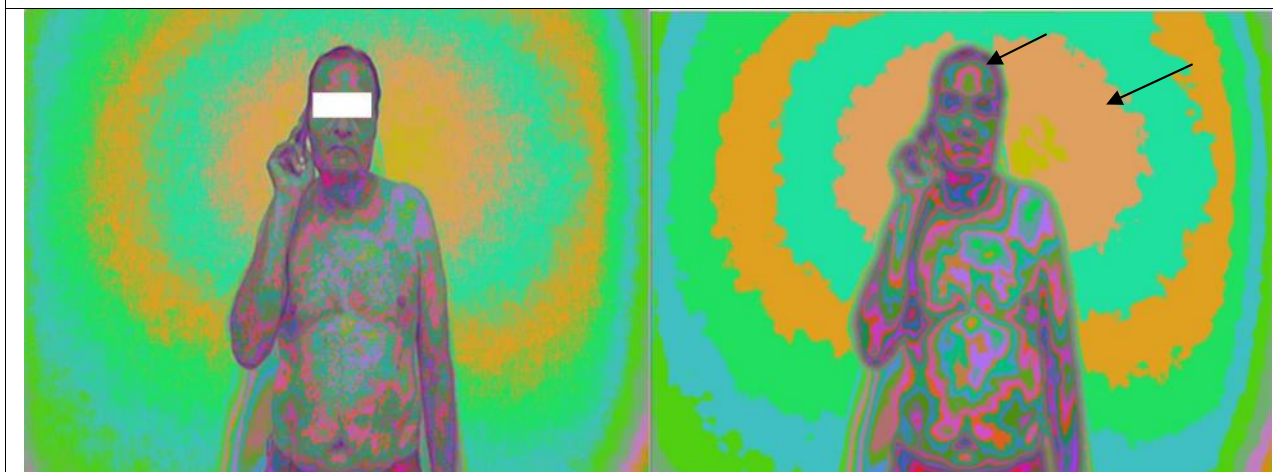

Case No. 14

Case No. 15

HGH7793545248 BF

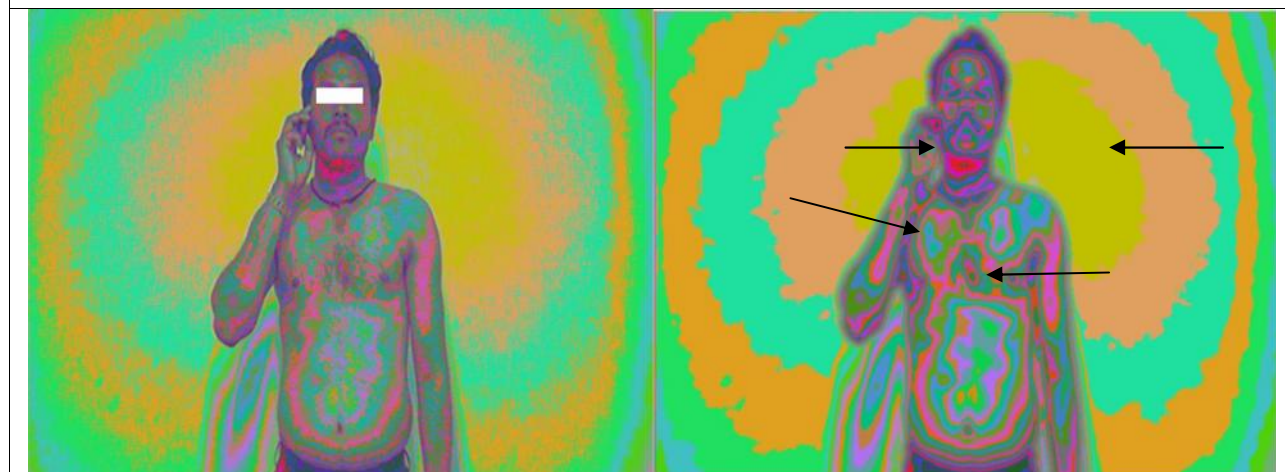

HGH7793545248 AF

Analysis: Reduction in the low energy orange band indicates improvement in the biofield. Low energy in the brow chakra has reduced markedly.

Case No. 16

HGH1908128236 BF

HGH1908128236 AF

Analysis: Appearance of yellow in the biofield is a positive shift. Improvement in the energy field of lung can be seen. Low energy near ear has decreased. Rearranging of energy can be seen in the heart chakra.

Case No.17

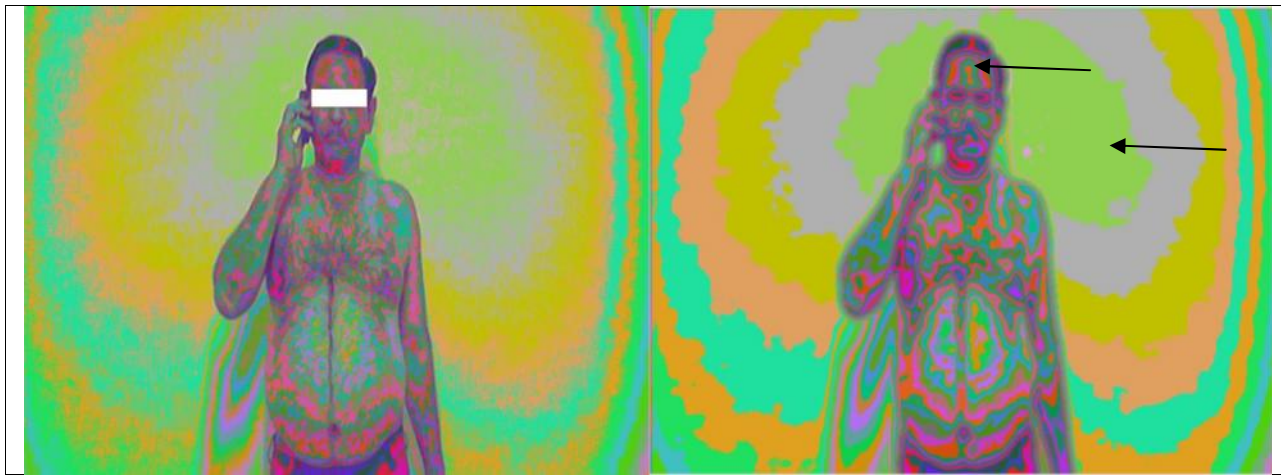

HGH611298759BF

HGH611298759AF

Analysis : Positive changes on energy level in brow chakra, solar plexus and naval chakra can be seen.

Case No. 18

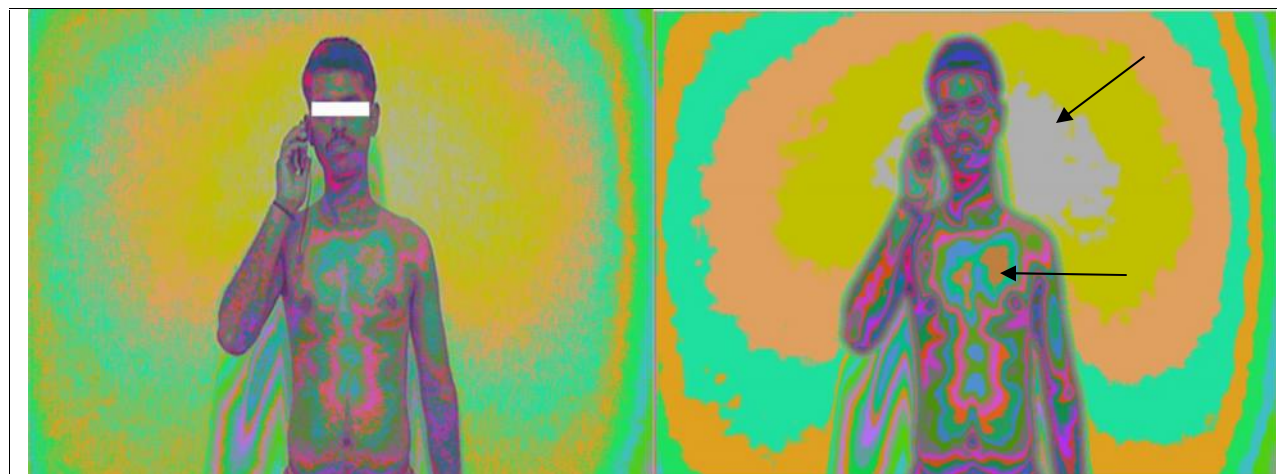

HGH2737656034 BF

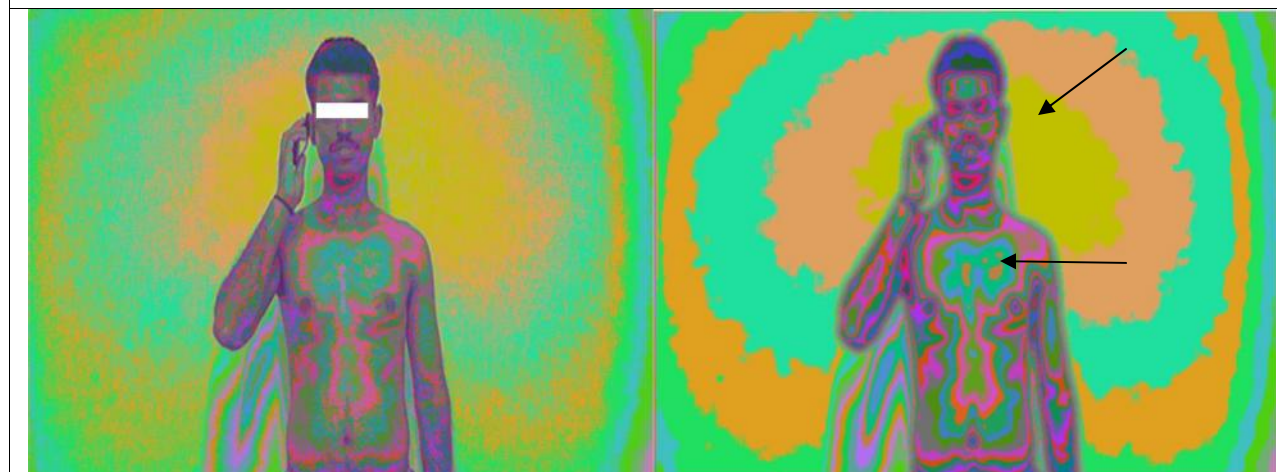

HGH2737656034 AF

Analysis: Appearance of healing pink in the biofield is a positive shift. Rearranging of energy can be seen in the brow chakra.

Case No.19

HGH2257443269 BF

HGH2257443269 AF

Analysis: Appearance of yellow in the biofield in the after scan is a positive shift. Energy level of lung field has improved in the after scan.

Case No.20

HGH6157737573 BF

HGH6157737573 AF

Analysis: Reduction in the low energy orange band is a positive shift. Energy level of lung field has improved in the after scan.

Case No. 21

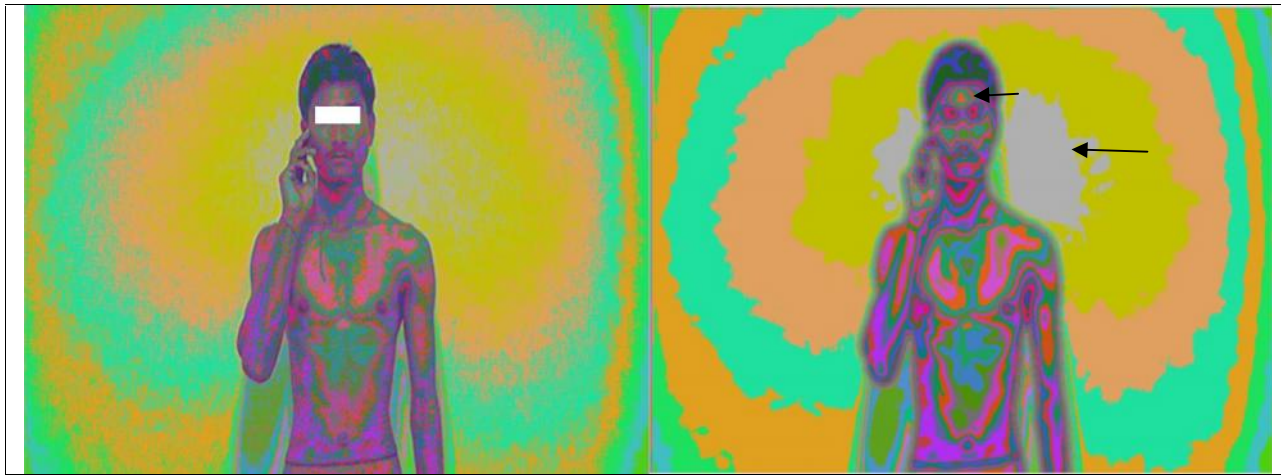

HGH8598567230 BF

HGH8598567230 AF

Analysis: Reduction in the low energy in the brow, solar plexus, throat chakra is positive shift. Energy level of lung field has improved in the after scan.

Case No. 22

HGH9326050520 BF

HGH9326050520 AF

Analysis: Reduction in the low energy grey band with yellow band is positive shift. Energy level of lung field has improved in the after scan. Improvement in the energy level of brow chakra can be seen.

Case No. 23

HGH8639058316 BF

HGH8639058316 AF

Analysis: Appearance of healing pink band in after scan is a positive shift. Low energy in the solar plexus has reduced in after scan.

Case No. 24

HGH8269482713 BF

HGH8269482713 AF

Analysis: Energy levels of Brow chakra, heart chakra and naval chakra has increased after using Hedron.

Case No. 25

HGH6699862542 BF

HGH6699862542 AF

Analysis: Improvement in the energy levels of lung field and solar plexus can be seen in after scan. Low energy in the upper jaw has reduced.

Case No. 26

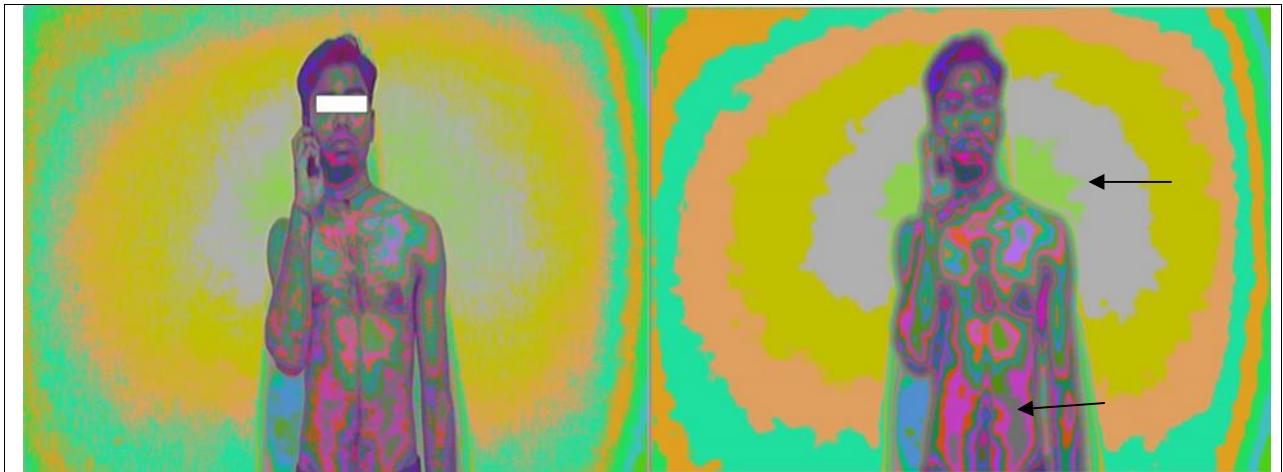

HGH3573677286 BF

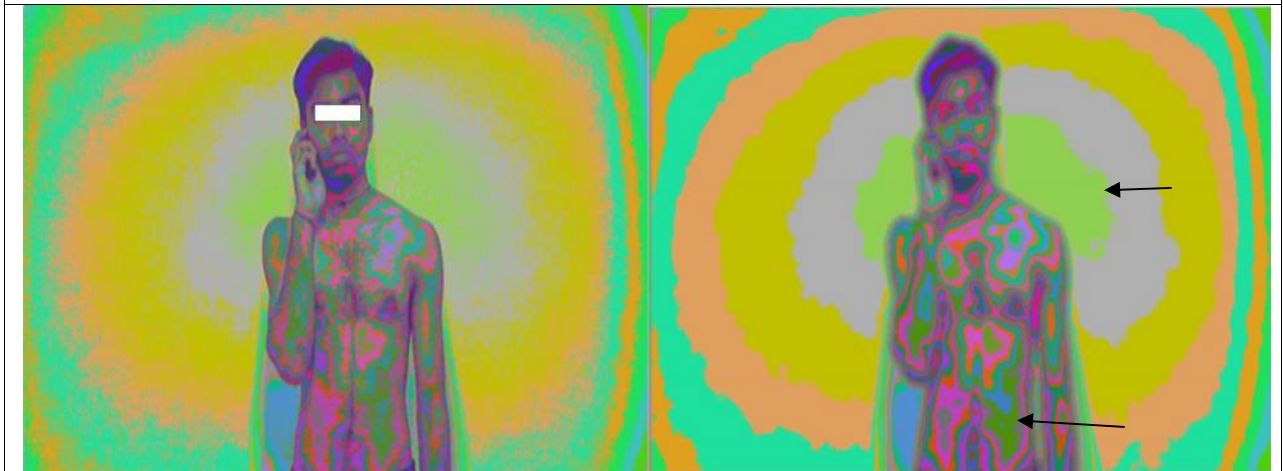

HGH3573677286 AF

Analysis: Improvement in the energy level of lung field can be seen. Rearranging of energy can be seen in the solar plexus. Some mixed changes can be seen in the biofield.

Case No. 27

HGH6429674279 BF

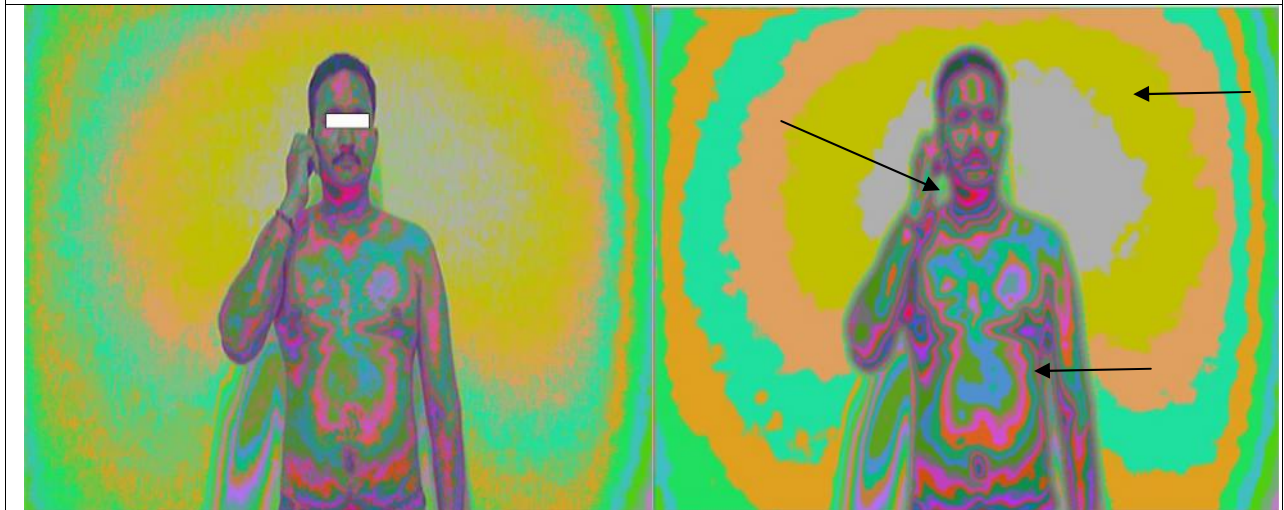

HGH6429674279 AF

Analysis: Density of positive green has increased in after scan. Rearranging of energy can be seen in the naval chakra and lung field.

Case No. 28

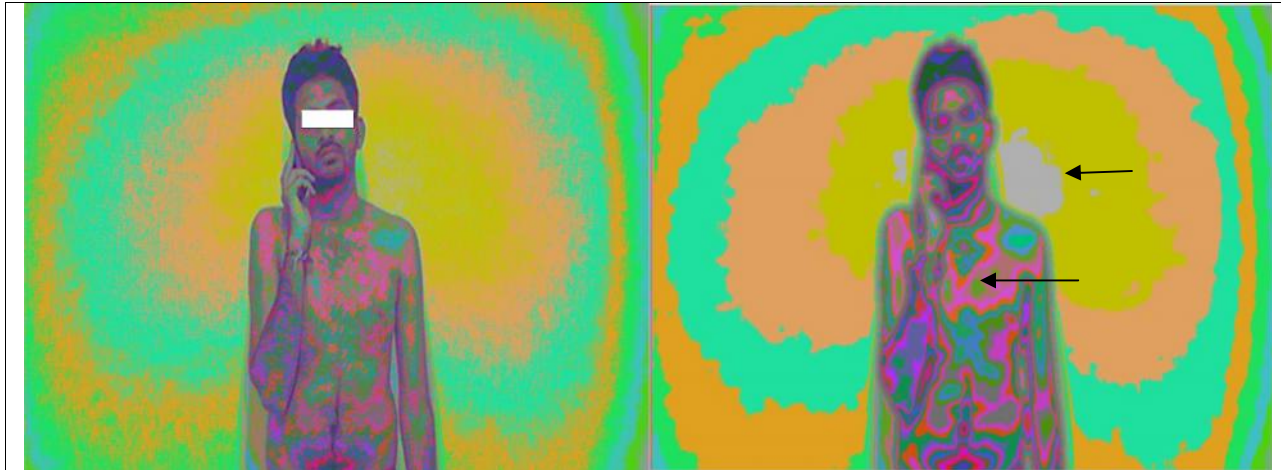

HGH9664884449 BF

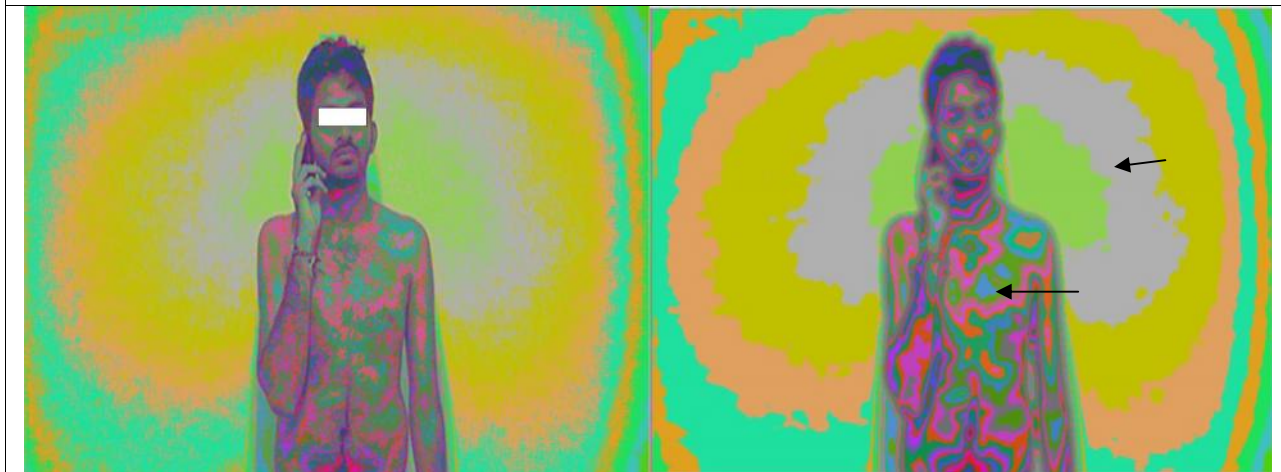

HGH9664884449AF

Analysis: Positive changes can be seen on both levels.

Case No. 29

HGH6970455001 BF

HGH6970455001 AF

Analysis: Positive changes such as improvement in the biofield can be seen in the after scan. Energy level of the lung field has improved in the after scan.

Case No. 30

HGH3264849492 BF

HGH3264849492 AF

Analysis: After application of Hedron, hyper mentality grey colour has reduced and replaced by positive yellow in the biofield. Low energy in the heart chakra and Naval chakra has decreased.

Control Group

Case No. 1

HGH1477429203 BF

HGH1477429203 AF

Analysis: No remarkable changes can be seen.

Case No. 2

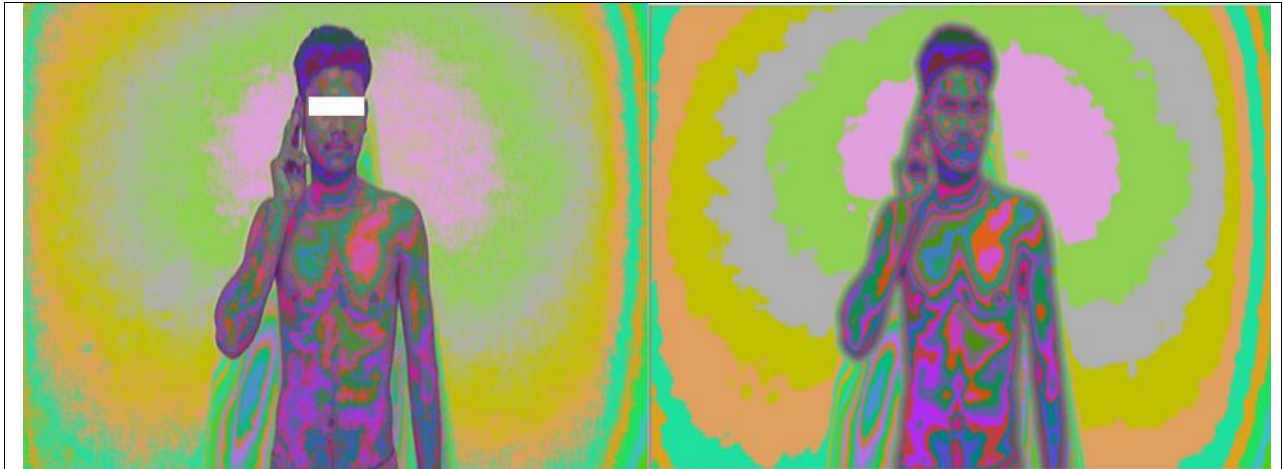

HGH1469255821 BF

HGH1469255821 AF

Analysis: No remarkable changes can be seen.

Case No. 3

HGH6155172990 BF

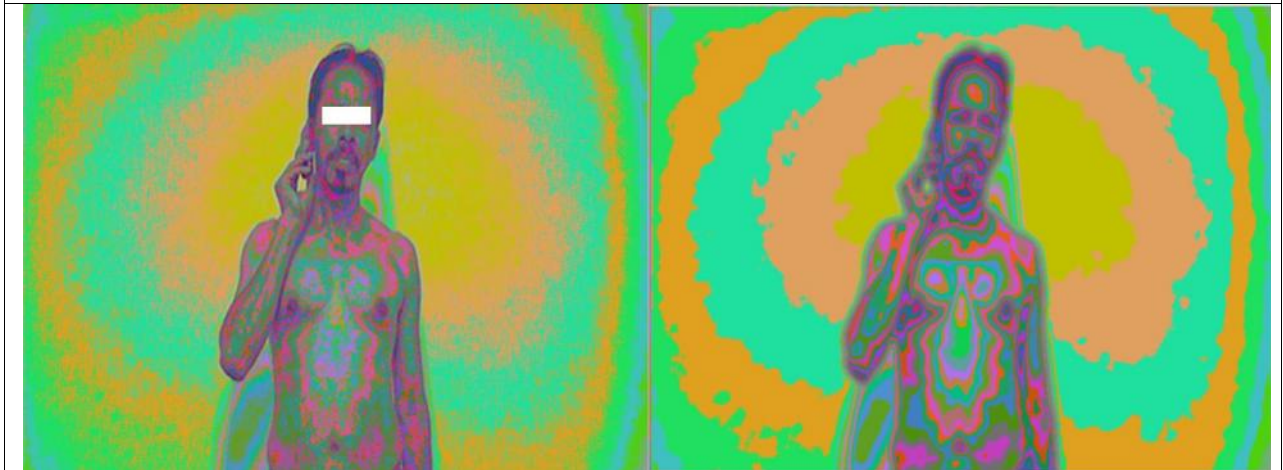

HGH6155172990 AF

Analysis: No remarkable changes can be seen.

Case No. 4

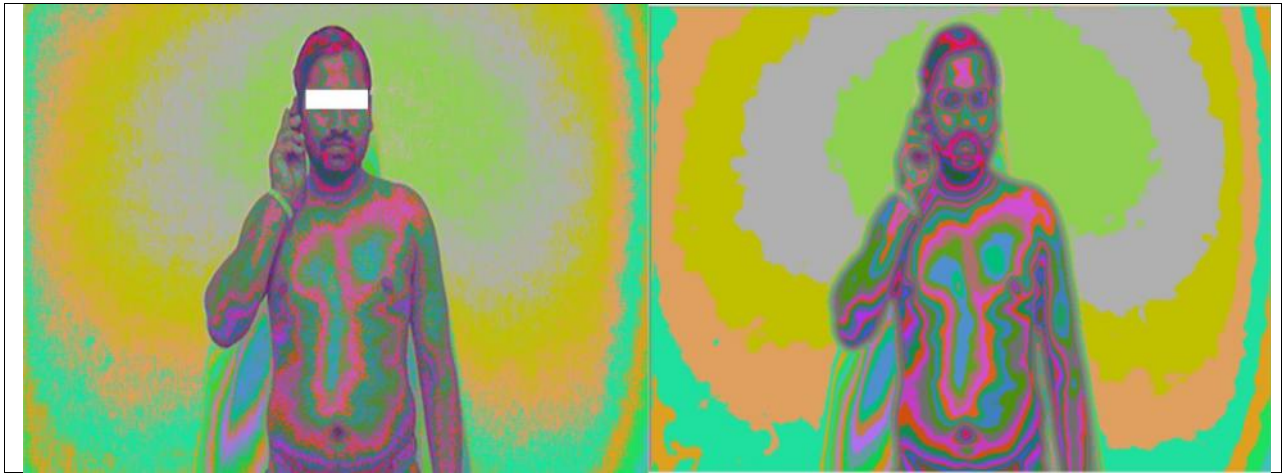

HGH2284324946 BF

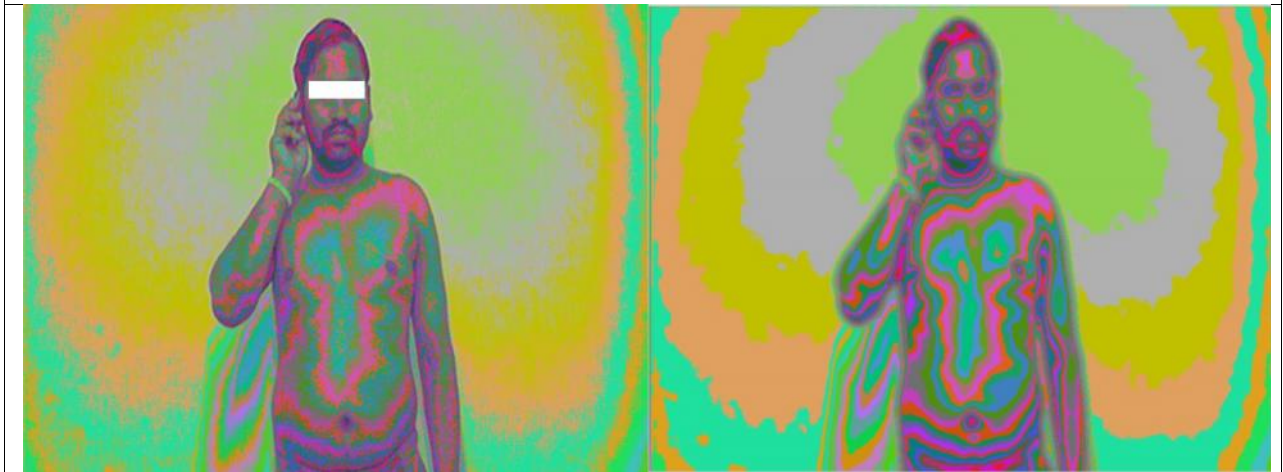

HGH2284324946 AF

Analysis: No remarkable changes can be seen.

Case No. 5

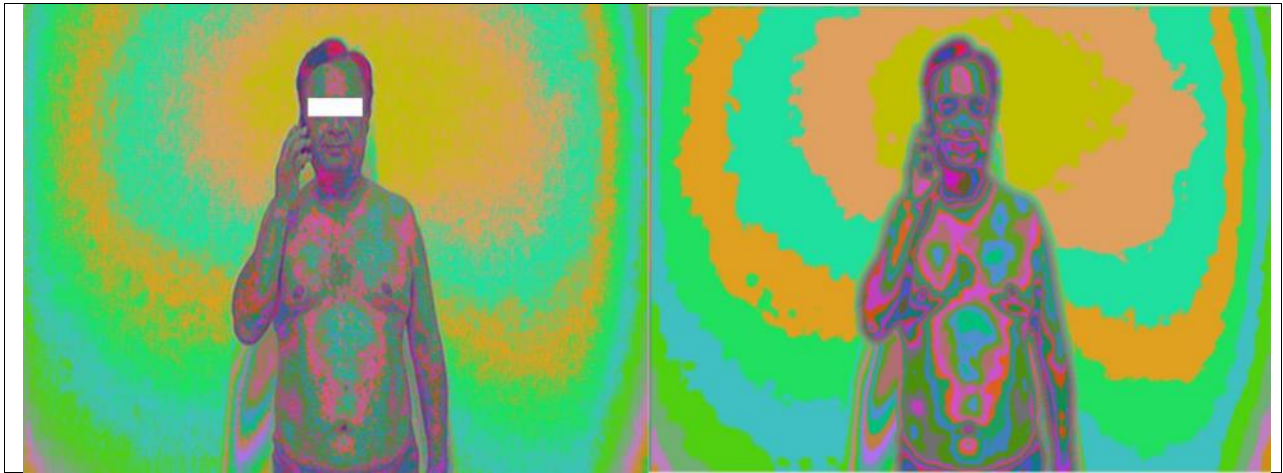

HGH7006547063 BF

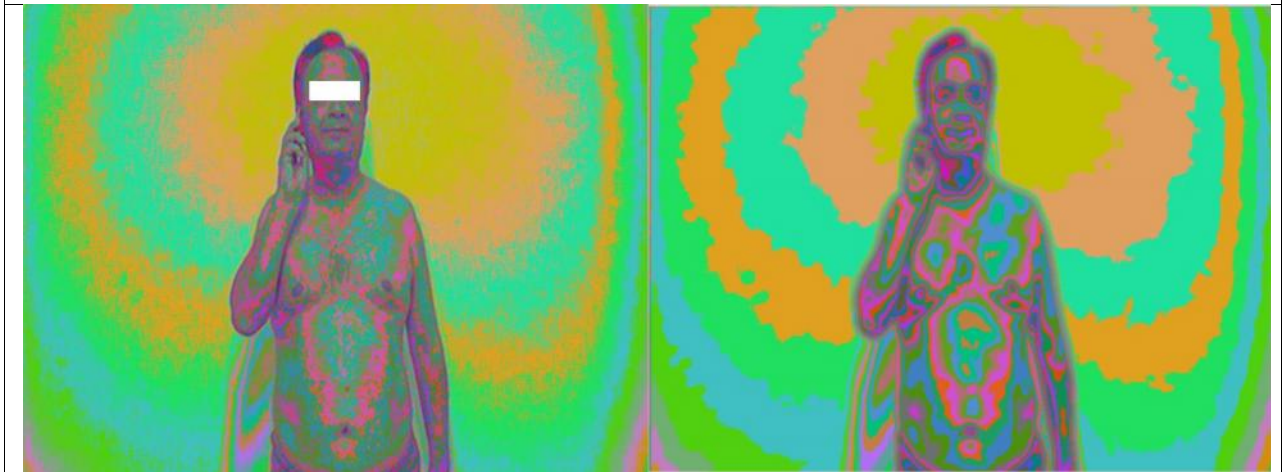

HGH7006547063 AF

Analysis: No remarkable changes can be seen.

Case No. 6

HGH8644112160 BF

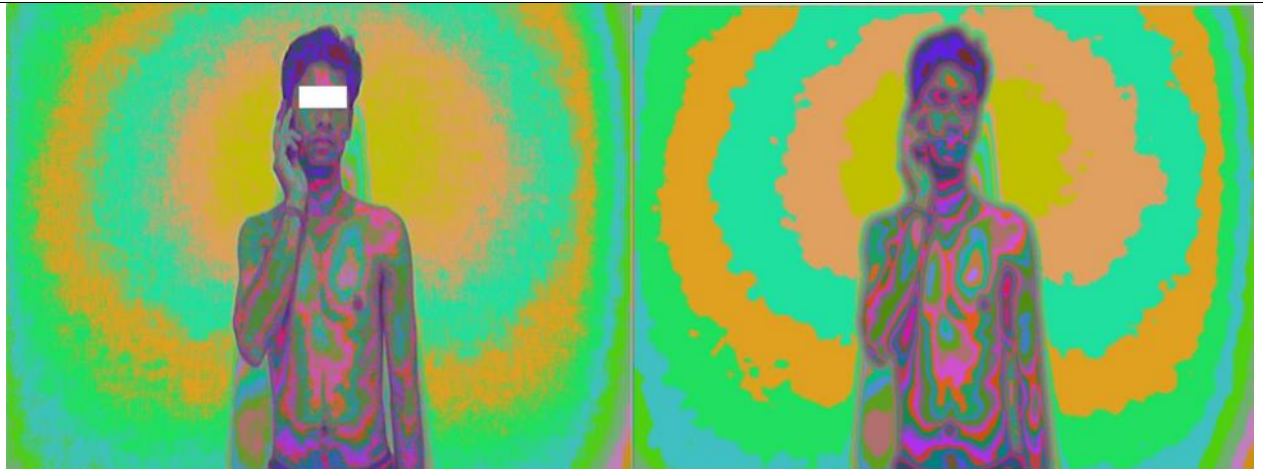

HGH8644112160 AF

Analysis: No remarkable changes can be seen.

Case No. 7

HGH4331658320 BF

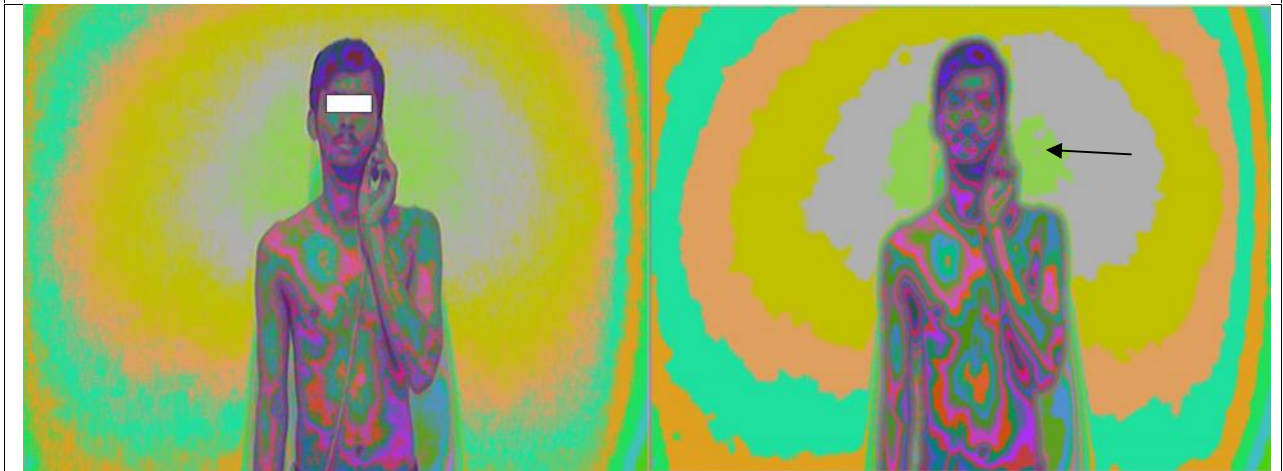

HGH4331658320 AF

Analysis: No remarkable changes can be seen.

Case No. 8

HGH6608235812 BF

HGH6608235812 AF

Analysis: No remarkable changes can be seen.

Case No. 9

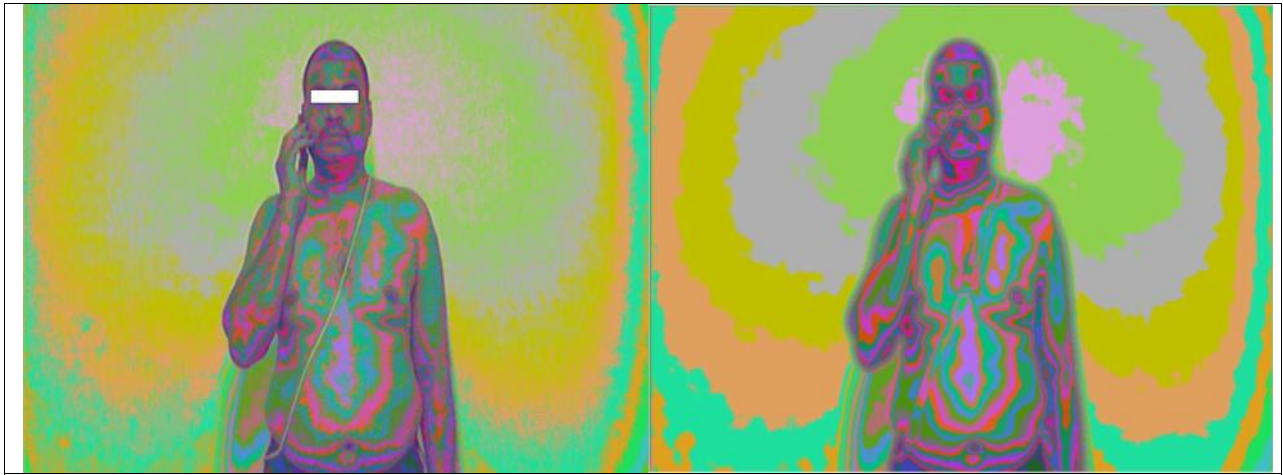

HGH9173840755 BF

HGH9173840755 AF

Analysis: No remarkable changes can be seen.

Case No. 10

HGH3160914542 BF

HGH3160914542 AF

Analysis:No remarkable changes can be seen.

Case No. 11

HGH6829307493 BF

HGH6829307493AF

Analysis: No remarkable changes can be seen.

Case No. 12

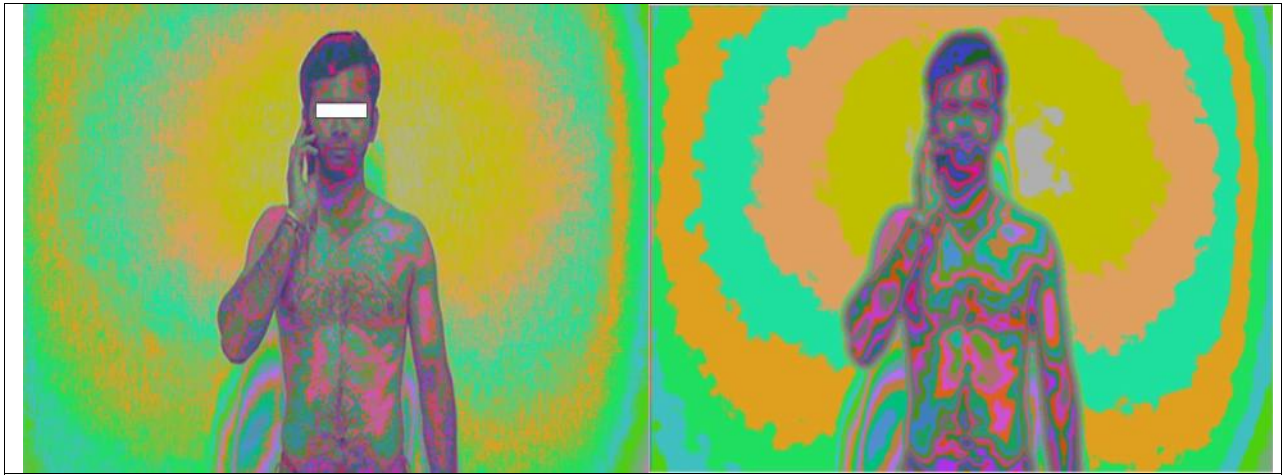

HGH3781852845 BF

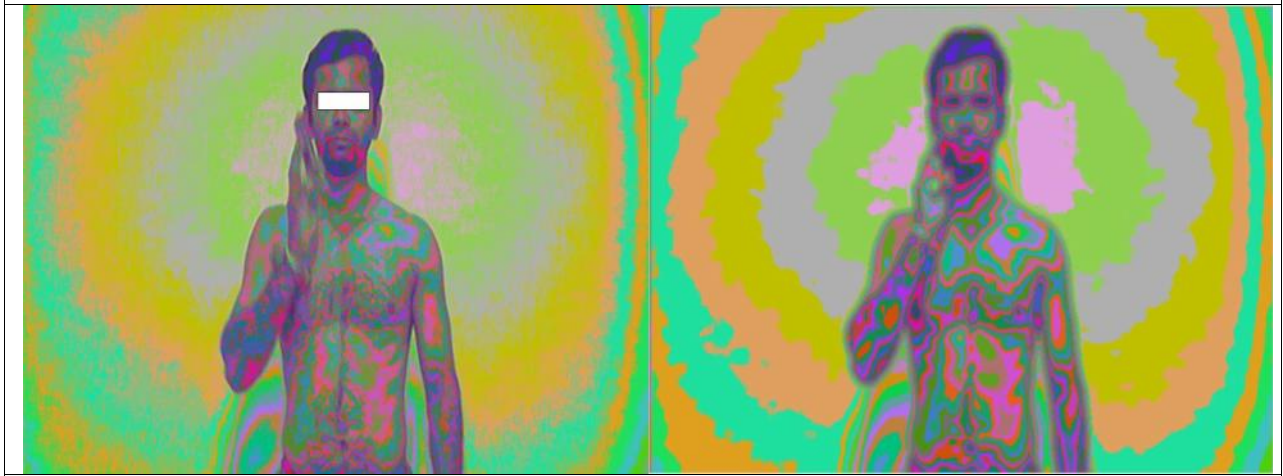

HGH3781852845 AF

Analysis: No remarkable changes can be seen. Some positive change in the biofield can be seen.

Case No. 13

HGH9620286956 BF

HGH9620286956 AF

Analysis: No remarkable changes can be seen.

Case No. 14

HGH2994032581 BF

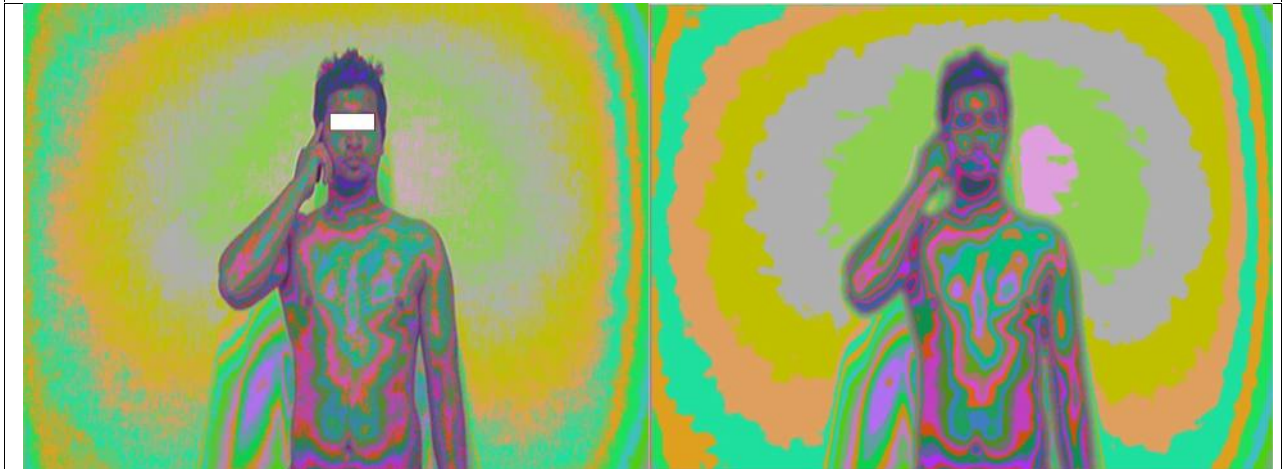

HGH2994032581 AF

Analysis: Minimal change can be seen in the solar plexus and biofield.

Case No. 15

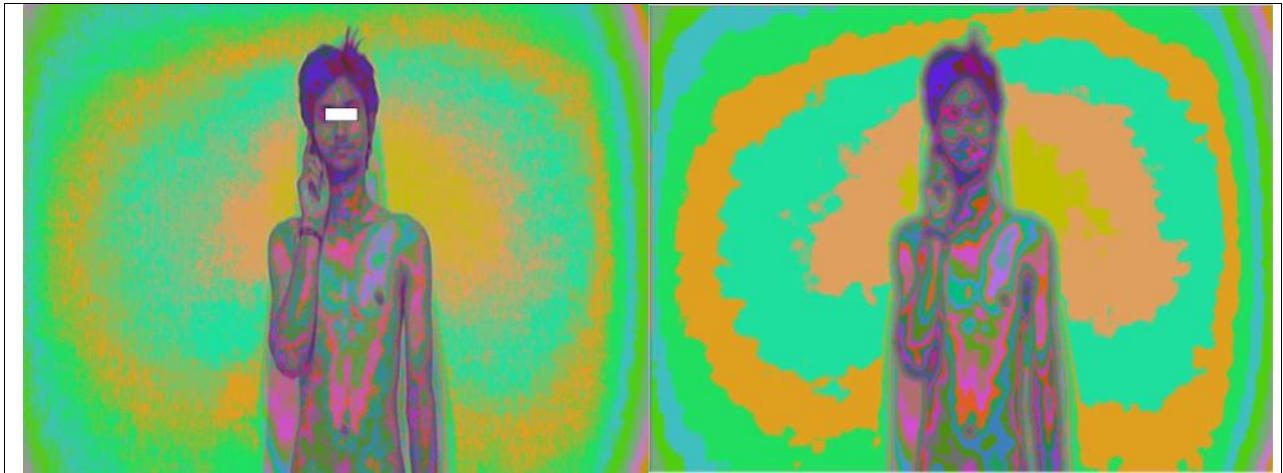

HGH2905633122 BF

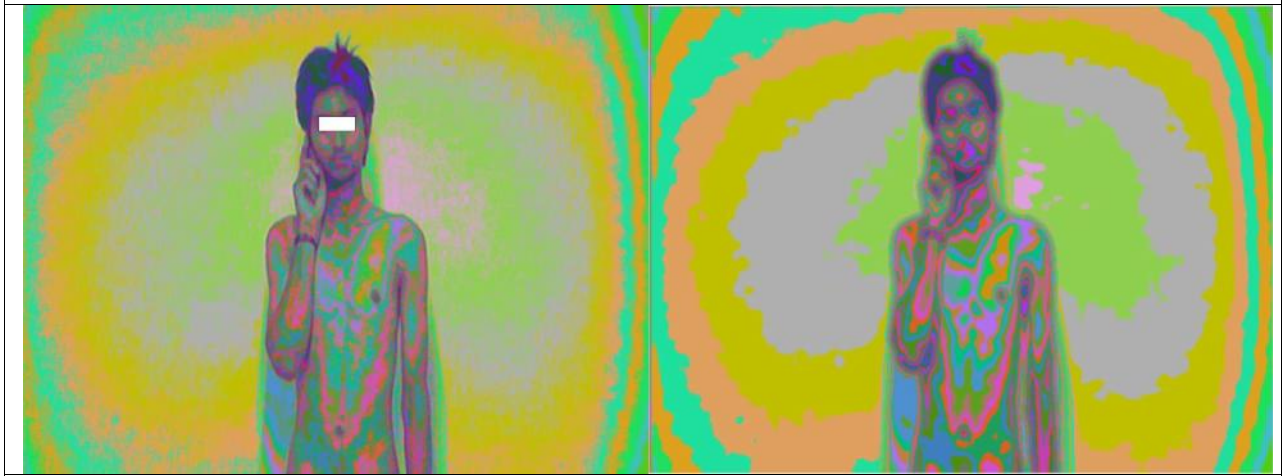

HGH2905633122 AF

Analysis: No remarkable changes can be seen.

Case No. 16

HGH2285309504 BF

HGH2285309504 AF

Analysis: positive change can be seen in the biofield.

Case No. 17

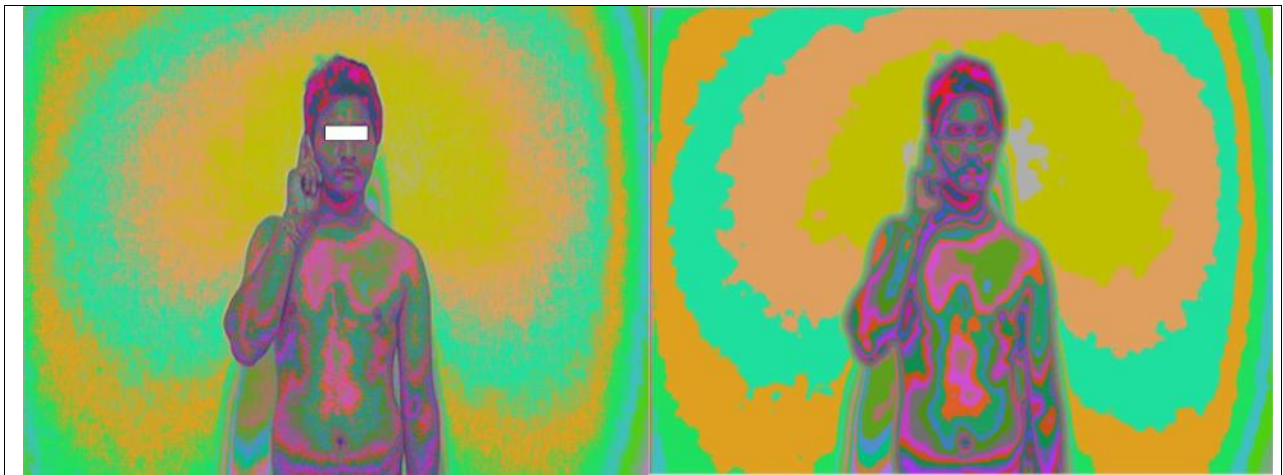

HGH1234460623 BF

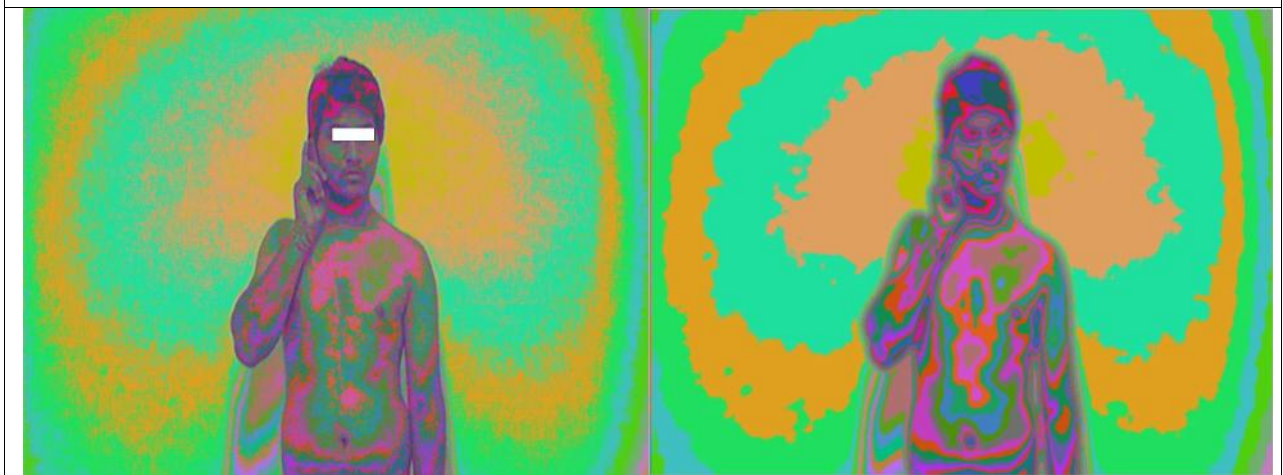

HGH1234460623 AF

Analysis: No remarkable changes can be seen.

Case No. 18

HGH7172949458 BF

HGH7172949458 AF

Analysis: Minimal change can be seen in the solar plexus.

Case No. 19

HGH8161385233 BF

HGH8161385233 AF

Analysis: No remarkable changes can be seen.:

Case No. 20

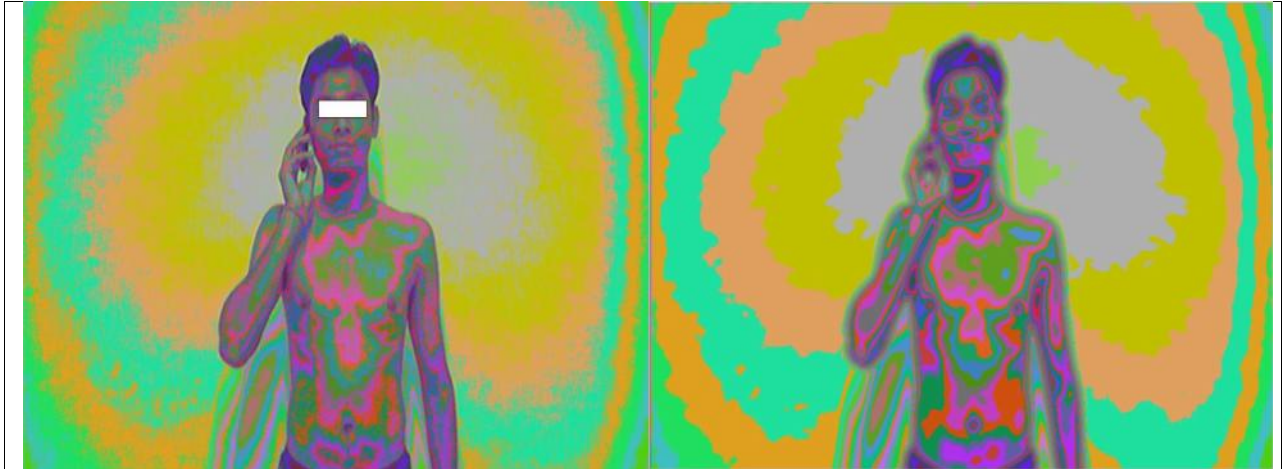

HGH2034897174 BF

HGH2034897174 AF

Analysis: Minimal change can be seen in the naval chakra.

Case No. 21

HGH3099602419 BF

HGH3099602419 AF

Analysis: No remarkable changes can be seen.

Case No. 22

HGH5577162183 BF

HGH5577162183 AF

Analysis: No remarkable changes can be seen.

Case No. 23

HGH4727285043 BF

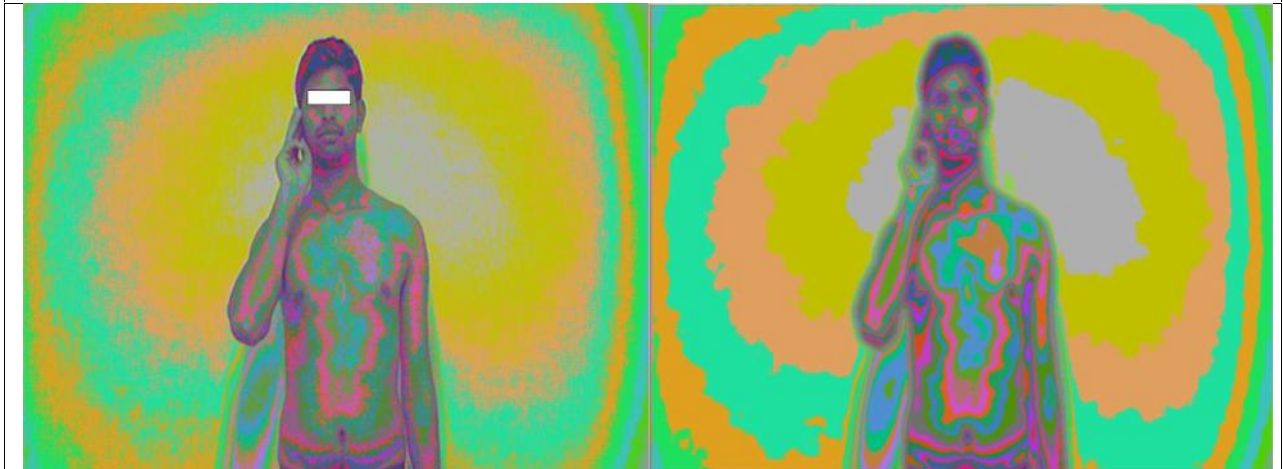

HGH4727285043 AF

Analysis: Minimal changes can be seen in the solar plexus.

Case No. 24

HGH7091883682 BF

HGH7091883682 AF

Analysis: No remarkable changes can be seen.

Case No. 25

HGH4480386976 BF

HGH4480386976 AF

Analysis: No remarkable changes can be seen.

Case No. 26

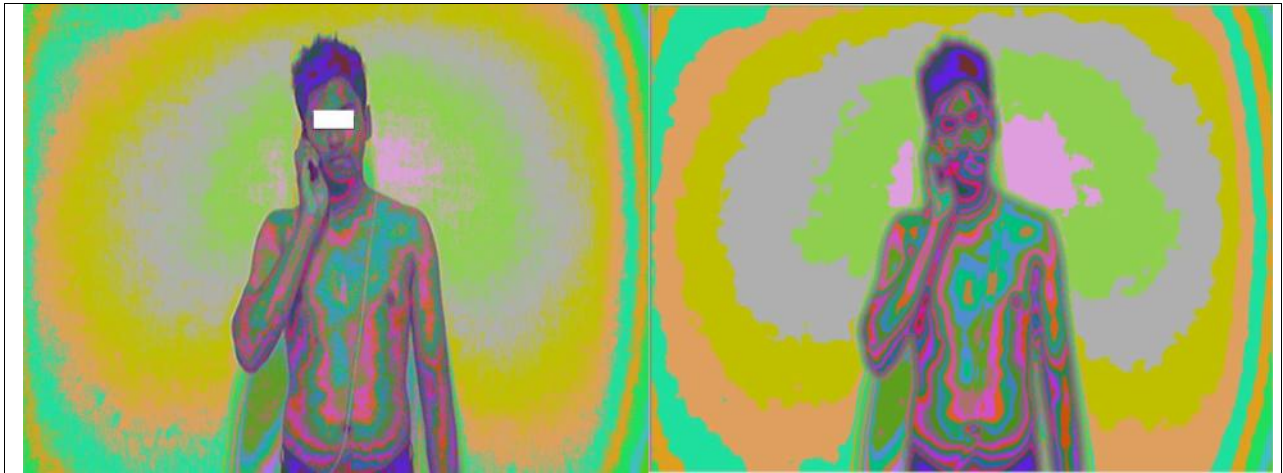

HGH7260246198 BF

HGH7260246198 AF

Analysis: No remarkable changes can be seen.

Case No. 27

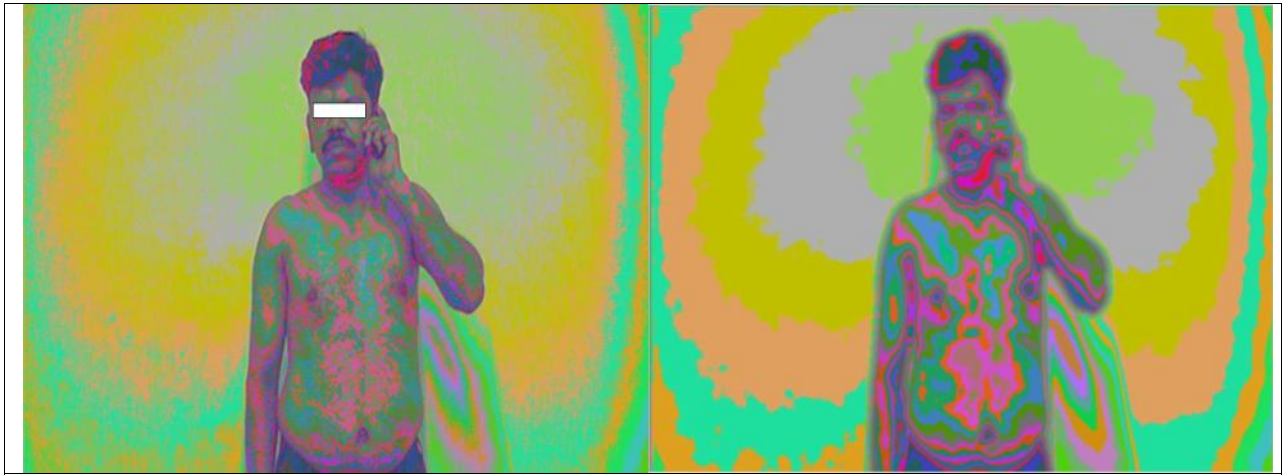

HGH6680526319 BF

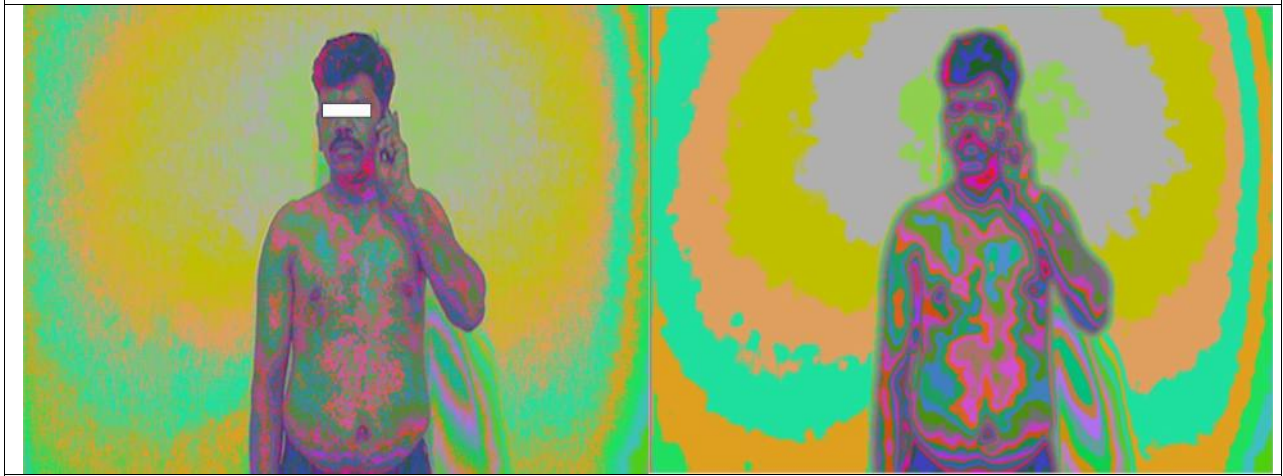

HGH6680526319 AF

Analysis: No remarkable changes can be seen.

Case No. 28

HGH9089865438 BF

HGH9089865438 AF

Analysis: No remarkable changes can be seen.

Case No. 29

HGH5303081588 BF

HGH5303081588 AF

Analysis: No remarkable changes can be seen.

Case No. 30

HGH4397540961 BF

HGH4397540961 AF

Analysis: Minimal positive changes can be seen in the solar plexus.
