ULTRA CAR WASH CONCENTRATE

Spot-Free Finish

- CHEMICALLY REMOVES GRIME
- VERSATILE AND EFFECTIVE

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions® • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION

This product is a vehicle cleaner that is the result of the latest developments in ultrabase technology. No special equipment, complicated multiingredient additions or extensive mixing times required! The detergents in this cleaner aggressively attack dirt and suspend it for fast removal with a water rinse. This powerful vehicle wash concentrate chemically removes grime and road film to assure that your entire fleet of trucks and cars are completely clean.

DIRECTIONS

TO FORMULATE INTO A VEHICLE WASH CONCENTRATE: Dilute 1 gallon (3.78 liters) of this concentrate with 2 gallons (7.6 liters) of softened water to make 3 gallons (11.36 liters) of a vehicle wash concentrate. Blend well and package immediately.

PRESSURE WASHERS: Dilute 1 part of this concentrate with 25 parts of clean, clear water. Spray onto vehicle in a shady area. Rinse cleaned vehicles with clean water and allow to dry.

HAND WASHING: Dilute 1 part of this concentrate with 100 parts of clean, clear water. Wash vehicle in a shady area. Rinse cleaned vehicles with clean water and allow to dry.

DISPOSAL

Dispose of contents/container to comply with local/regional/national/ international regulations.

Please Recycle.
