Manufactured By: Total Solutions® • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION

These wipes are the easiest and quickest way to clean your glass and windows and keep them looking brand new. Premoistened with a powerful ammonia-free formula, these wipes will remove dust, dirt, oil and grease smudges, water spots, fingerprints and smoke film from any glass surface, and leave it with a dazzling shine. And they won't leave behind streaks or a sticky film to cloud your visibility.

Not only are these wipes perfect to use on windows, but they are also great for cleaning and adding a bright luster to: mirrors, light fixtures, windshields, display cases, shower doors and glass tables.

DIRECTIONS

Wipe dirty surface with towel. Discard after use.

DIRECTIONS FOR DISPENSING

1. Remove lid by lifting upward. Remove foil seal.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash. Do not flush wipes.

For industrial and commercial use only. For additional information, see Safety Data Sheet. Canister made from 25% post-consumer recycled plastic.
