

Wood Cleaner & Polish Wipes

Product # 1565

Cleaning and polish wipes that truly are one-step

These wipes combine all of the cleaning, dusting and protecting power of furniture polish with the ease and convenience of a one-step wipe. You can clean smudge marks, remove dust and dirt, and condition furniture surfaces against everyday wear while leaving them with a natural, ultra-protective shine. Best of all, they will not leave behind an oily residue or a wax buildup. While other polishing products leave surfaces so oily that they require you to "buff" them again with a dry towel to remove the residue, these wipes literally require only one step.
