Heavy Duty Detergent For Hand Dishwashing

- CONTAINS NO PHOSPHATES
 - FOR DISHES THAT SPARKLE
 - NSF REGISTERED

DESCRIPTION

This concentrated dishwashing detergent contains powerful cleaning agents that quickly penetrate, soften and remove heavy grease and stubborn dried food. Special rinse agents assure sparkling, spot free glassware and dishes. Long lasting suds clean more dishes, more effectively and completely. Use it for the handwashing of all kitchen ware, like glassware, crystal, steel and silver tableware, dishes, cooking utensils, pots and pans.

DIRECTIONS

Use about 1/4 ounce of concentrate per gallon of hot water. Extra greasy pots and pans may require 1/2 to 1 ounce per gallon.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash.

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: One Gallon (128 fl. oz.)
