Manufactured By: Total Solutions® • 1-800-743-6417  
PO Box 240014 • Milwaukee, WI 53224 • [athea.com](http://athea.com)

**DESCRIPTION**

This high performance product reduces maintenance on all hard surfaces. Formulated with the latest cleaning agents and silicones, it renews and protects a wide variety of surfaces, including glass, tile, plastic, wood, vinyl, metal and all painted surfaces.

Wipe it on windows, mirrors and storefronts to resist dust, fingerprints and smudges.

Spread it on leather, Formica®, vinyl bus seats, cabinets and desks to repel water, vandal marks and ground-in dirt.

Spray it on drinking fountains, tiles, toilet partitions and countertops to shed soap, mineral deposits and water marks.

Use it to give a clean, smooth, lustrous, water and soil repellent finish to almost any surface!

**DIRECTIONS**

Spray or spread onto surface. Wipe clean and buff to a high luster with a soft cloth. Repeated applications will increase the luster, repel water and anti-soil properties.

Do not use on floors. Wipe up spills immediately to prevent slippery spots.

Do not use on or near clear plastic. Do not use on steering wheels, pedals, and other instrumentation where slipperiness may present a hazard.

**DISPOSAL**

Offer empty container for recycling. If recycling is not available, discard container in trash.

Please Recycle.
