TOTAL SOLUTIONS[®]

WASTEWATER and
SEWAGE TREATMENT

FLOATING LIFT STATION DEGREASER

Strips Away Grease with
the Power of d-Limonene

• CONTAINS NO
PETROLEUM SOLVENTS

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions[®]
PO Box 240014 • Milwaukee, WI 53224 • 1-800-743-6417

DESCRIPTION

This floating lift station degreaser uses the natural cleaning power of d-Limonene derived from orange peel extracts. The powerful solvent cleaner strips away heavy grease accumulations from walls and pumps and quickly dissolves grease balls. It deodorizes as it cleans and leaves the clean scent of fresh oranges.

The special floating formula washes down the sides of the lift station as the water level rises and falls. The all-natural ingredients work quickly and effectively without the environmental hazards or disruption of biological treatment processes associated with traditional solvents.

DIRECTIONS

Use approximately 1/2 gallon for each square foot of water surface. This special non-emulsifiable formula floats on the surface for continuous cleaning action.

DISPOSAL: Dispose of contents/container to comply with local/regional/national/international regulations.

NFPA[®] RATINGS: Health: 2; Flammability: 2; Reactivity: 0

CONTAINS/CAS NUMBER: d-limonene/5989-27-5; Solvent Red 24/85-83-6

Please Recycle.
