

dB Solvent-HF-165

Product # 387

High flash industrial degreaser

Developed to safely remove grease, oil and tar from a variety of surfaces. It works quickly on metal parts without causing corrosion under normal conditions. A blend of natural and synthetic compounds that combine to produce a remarkably effective product. Natural citrus extracts produce incredible solvency to cut through the most difficult deposits. Carefully selected solvents, chose for their low toxicity and lack of effect of atmospheric ozone complete this newest development in industrial solvents. The light, fresh scent makes even the most tedious and unpleasant task more bearable.

Features and Benefits

- Industrial strength parts washer
- Quickly penetrates grease, oil and tar deposits
- Ideal for use in a recirculating parts washer

Properties
