

DANGER

Combustible liquid. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation.

Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Avoid breathing spray, vapors. Wash thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Take off contaminated clothing and wash it before reuse. Wear eye protection, protective clothing, protective gloves.

If swallowed: Immediately call a doctor, a POISON CENTER. Do NOT induce vomiting.

If on skin: Wash with plenty of soap and water.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If skin irritation or rash occurs: Get medical advice/attention.

NFPA® RATINGS

Health: 2; Flammability: 2; Reactivity: 0

CONTAINS/CAS NUMBER:

Mineral Spirits/64742-47-8; D-limonene/5989-27-5; Linear Alcohol Ethoxylate/34398-01-1; 1-Undecanol/112-42-5

In case of fire: Use carbon dioxide (CO₂), dry extinguishing powder, foam to extinguish.

Store in a well-ventilated place. Keep cool. Store locked up.

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

dB SOLVENT WR

Water-Rinsable
Industrial Degreaser

- DEGREASES AND DEODORIZES
- RINSES QUICKLY WITH WATER
- 21.5% D-LIMONENE

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions® • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION: This industrial parts wash is made from a blend of natural and synthetic compounds that combine to produce a remarkably effective product. Natural citrus extracts produce incredible solvency to cut through the most difficult oil, grease and tar deposits, and carefully selected solvents allow for use on many plastics and painted surfaces. Rinse additives suspend grease, grime and soils in water to complete the cleaning process.

DIRECTIONS

Test in an inconspicuous area.

FOR CLEANING TOOLS AND PARTS: Dip tools and parts into full-strength solvent. Allow to soak until grease and grime are loosened. Remove and rinse with water. To speed drying, use a compressed air gun.

FOR CLEANING COSMOLINE AND UNDERCOATING: Spray, brush or sponge undiluted solvent directly onto surfaces. Rinse off with water and wash with a quality detergent.

DISPOSAL: Dispose of contents/container to comply with local/regional/national/international regulations.

Please Recycle.
