NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions® • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION

This all-purpose industrial cleaner-degreaser has an incredible zero rating in the three NFPA® categories of flammability, health, and reactivity when diluted. It is so safe that it can be used on virtually any surface, including metal, plastic, wood, painted surfaces, fiberglass, rubber, fabrics, carpet, ceramic, and glass.

While gentle on surfaces, it is strong enough to remove heavy dirt, grease, grime, oil, scuffs, shoe polish, food deposits, adhesives, stains and soils. Leaves behind a fresh, pleasant fragrance.

Contains corrosion inhibitors to prevent damage to metal surfaces.

DIRECTIONS

Dilute 1 pint into a gallon of water, spray onto surface, and wipe clean.

For light cleaning, dilute 2 ounces into a gallon of water.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash.

Please Recycle.

*For industrial and commercial use only.
