

Triple Zero™ Concentrate

Product # 0404

Safer All-Purpose Industrial Degreaser

This all-purpose industrial cleaner-degreaser has an incredible zero rating in the three NFPA® categories of flammability, health, and reactivity when diluted. It is so safe that it can be used on virtually any surface, including metal, plastic, wood, painted surfaces, fiberglass, rubber, fabrics, carpet, ceramic, and glass. While gentle on surfaces, it is strong enough to remove heavy dirt, grease, grim oil, scuffs, shoe polish, food deposits, adhesives, stains, and soils. Leaves behind a fresh, pleasant fragrance. Contains corrosion inhibitors to prevent damage to metal surfaces.
