INDUSTRIAL CLEANERS  
and DEGREASERS

## NON-BUTYL CLEANER CONCENTRATE

Alkaline Cleaner  
and Degreaser

- MULTI-PURPOSE CLEANER AND DEGREASER
- CONTAINS NO HARSH SOLVENTS, BUTYL OR ALCOHOL

## KEEP OUT OF REACH OF CHILDREN

**NET CONTENTS:** One Gallon (128 fl. oz.)

Manufactured By: Total Solutions® • 1-800-743-6417  
PO Box 240014 • Milwaukee, WI 53224 • [athea.com](http://athea.com)

## DESCRIPTION

This high-alkaline cleaner is formulated to clean and degrease without harsh solvents, butyl or alcohols. Suitable for use on all surfaces not harmed by water, it may be used in automatic scrubbers, pressure washers, hot tanks and spray cleaners. Its properties make it ideal for cleaning all protective rubber clothing, diving suits, respirators, masks and face-pieces.

## DIRECTIONS

Use a 1:20 dilution (6 ounces per gallon) for common cleaning chores, including hard surfaces such as floors, walls, appliances and painted surfaces. Rinse surfaces with clean water.

Heavy grease and grime deposits may require a more concentrated dilution of 1:10 or 1:5. Warm or hot water accelerates the cleaning action, allowing higher dilutions for light cleaning chores.

## DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash.

Please Recycle.
