DESCRIPTION

A highly concentrated industrial liquid cleaner specifically formulated for cleaning aircraft exteriors. Contains no butyl or petroleum solvents. This will remove grease, carbon, oil and heavy smoke marks from aluminum, stainless, titanium and alloy surfaces. Will not remove paint or decals.

Great for cleaning turbines, aircraft wheels, landing gears, aircraft skin and belly, laminated shims, fuselage exterior, wheel wells, engine cavities, bearing housing, jet engine parts, fan blades and aircraft shrouds. Safe for rubber seals, valve and O-rings.

Meets ARP 1755A regulations. Safe for hot or cold use. This will remove grease and oil stains from hanger floors.

DIRECTIONS

Experiment with this product before establishing procedures. Generally 1 part cleaner to 20 parts water is recommended.

DISPOSAL

Dispose of contents/container to comply with local/regional/national/international regulations.

Please Recycle.
