NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions® • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION

Enviro-Caustic™ Smokehouse Cleaner is a highly concentrated, biodegradable, and odorless foam cleaner for use on ovens, grills, deep fryers, smokehouses, meat curers, and other food processing equipment.

The thickened formula sticks to vertical surfaces, to allow for longer dwell time and better cleaning. Highly effective on grease, fats, oils, carbon, dirt, and baked-on deposits on food prep and cooking surfaces such as ovens, grills, deep fryers, smoke houses, and meat curers.

DIRECTIONS

Use as-is or dilute up to 10 parts hot water. Adjust the dilution rate according to the equipment manufacturer's instructions. Apply directly onto surface. Allow to penetrate and soften deposits. Scrape away loosened deposits. Rinse with clean, hot water.

DISPOSAL

Dispose of contents/container to comply with local/regional/national/international regulations.

Please Recycle.
