

Enviro-Caustic™ Smokehouse Cleaner

Product # 433

Enviro-Caustic™ Smokehouse Cleaner is a true breakthrough cleaner and degreaser. With a pH of over 12.5 and caustic formulation, it offers the performance of traditional oven, grill and smokehouse cleaners, but is odorless and biodegradable.

This foaming formula will stick and cling to vertical and horizontal surfaces allowing for maximum dwell time and better cleaning. #433 Enviro-Caustic™ Smokehouse Cleaner is extremely effective against grease, fat, oil, carbon, dirt, and baked-on deposits commonly found on food prep and cooking surfaces making it ideal for use on ovens, grills, deep fryers, smokehouses and meat curers.

Use On:

) Ovens) Grills
) Smokehouses) Food Processing Equipment
) Deep Fryers) Meat Curing Equipment

Effective against:

) Oil and Grease) Fats
) Baked On Deposits) Carbon

Features and Benefits

- Mild odor
- Biodegradable
- Foaming formula clings to vertical and horizontal surfaces

Properties

Appearance:	Clear, light yellow liquid
Fragrance:	Mild odor
Ready-to-Use:	Yes
Specific Gravity:	1.07
pH:	> 12.5
Solubility in Water:	Complete
