• NSF APPROVED

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions® • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION

This concentrated cleaning product is formulated with the grease and stain-cutting power of chlorine. Designed for use in a wide variety of applications and dilution ratios for economical and versatile performance. Creates a thick clinging foam when used with any appropriate foam generating equipment.

DIRECTIONS

Dilute concentrate with warm or cold water. Use 1 part concentrate diluted with 8-10 parts of water when extreme cleaning power is required. Use dilutions of up to 1:50 for lighter cleaning chores.

Dilution ratios may be adjusted to give the desired results and speed, or for cleaning with a particular application method. This product will produce a thick clinging foam when applied with foam-generating sprayers.

DISPOSAL

Dispose of contents/container to comply with local/regional/national/international regulations.

Please Recycle.
