

Non-Flammable Safety Solvent

Product # 8200

Safely cleans motors and energized electrical equipment

This aerosol cleaner is formulated with low-conducting ingredients to make it ideal for use on motors and energized electrical equipment, even while they operate. It has a high dielectric strength of 30,000 volts, and is potent enough to remove dust, dirt, oil and tar. Its fast-drying formula won't corrode delicate parts or leave behind any residue.

Use on:

- Electric motors
- Refrigeration units
- Power tools
- Generators
- Ice machines
- Vending machines

Effective Against

- Oil and Grease
- Dirt and Grime

Features and Benefits

- Dries quickly and leaves no residue.
- Non-flammable formula.
- Dielectric strength is 30,000 volts.

Properties

Appearance..... Clear liquid
Fragrance..... Solvent odor
Spray Pattern..... Spray
Extension Tube..... Yes
