### 2

These are a series of icons that may be used throughout the instructions to help your assembly:

Do not glue this part

Carefully score and  
fold this part

This part - or its placement is  
completely optional

Look closely at this step  
- its process order or part  
used may be specific

Repeat making this part  
the specified number  
of times

The next instruction step  
will be the same assembly  
so far, but from a different  
angle

Sub-assembly complete.  
This smaller construction  
is ready to add to the  
main kit

Assembly Complete! There  
could be more optional  
parts - check to the very end  
of instructions
