2

These are a series of icons that may be used throughout the instructions to help your assembly.
If in doubt, scroll ahead to confirm.

Do not glue this part

Carefully score and
fold this part

This part - or its placement is
completely optional

Look closely at this step -
The process order or part
used, may be specific

Repeat making this part
the specified number
of times

The next instruction step
will be the same assembly
so far, but from a different
angle

Sub-assembly complete.
This smaller construction
is ready to add to the
main kit

Assembly Complete! There
could be more optional
parts - check to the very end
of instructions

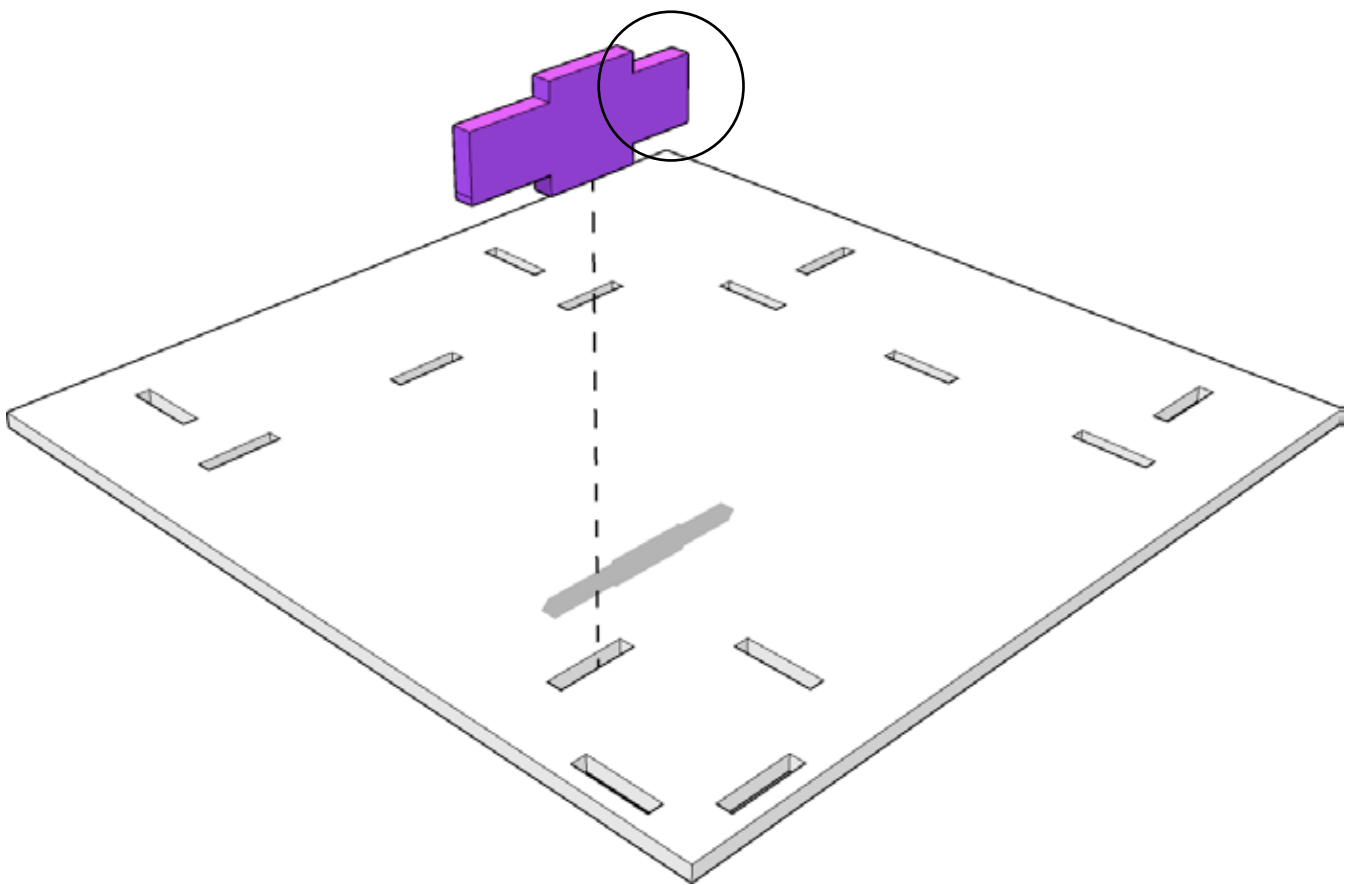

FRAGILE: DO NOT BEND.
“Bendy wood” is designed to
curve around a designed
frame only.
