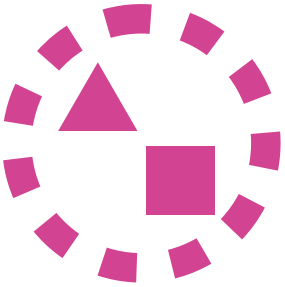
2

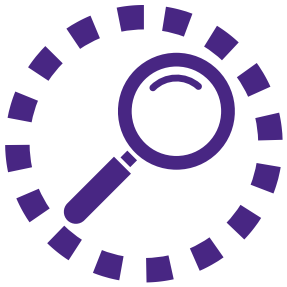
These are a series of icons that may be used throughout the instructions to help your assembly.
If in doubt, scroll ahead to confirm.

Do not glue this part

Carefully score and fold this part

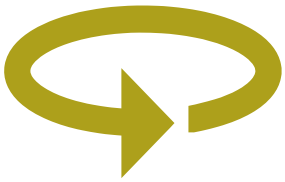


This part - or its placement is completely optional

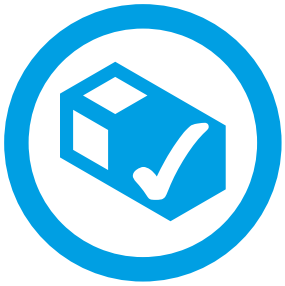


Look closely at this step - The process order or part used, may be specific

Repeat making this part the specified number of times



The next instruction step will be the same assembly so far, but from a different angle



Sub-assembly complete. This smaller construction is ready to add to the main kit

Assembly Complete! There could be more optional parts - check to the very end of instructions

FRAGILE: DO NOT BEND. “Bendy wood” is designed to curve around a designed frame only.
