DRONE BASE

At any point during this unit's activation it may launch **4 Starsprite Drones.** These Starsprite Drones are placed in a squad on the board, following disembarking rules as if this unit was their Transport.

The Drone Base can do this each turn, with each new squad of Starsprite Drones operating individually, as part of this unit's Battlegroup. However, **no more than 2 squads** of Starsprite Drones may be in play at any time for each Ferrum Drone Base on the board.

If a Ferrum Drone Base is destroyed, remove squads of Starsprite Drones as casualties immediately until there are no more than 2 squads per Ferrum Drone Base.
