

INTRODUCING THE

# FABRICS & FINISHES RANGE

2020 EDITION

COLOUR PALETTE | CURRENT STYLE | CLASSIC TEXTURE

# WE DEMAND A LOT FROM OUR FABRICS AND SURFACES.

Our fabric specifications consider durability, maintenance, rub, catch, sun fade and more, all while being tested to Australian Standards.

Accidents happen, and our fabrics need to withstand our everyday activities-chewing gum, chocolate, coffee, tea, cosmetics, fruit juice, dirt, and ink to name a few. Especially within a school or public environment, our soft furnishings need to endure the wear and tear of frequent use.

In addition to all these considerations, our Creative Designer aims to offer some new, fresh colours and patterns. Of course, most of the old favourites remain available and all are at our usual competitive prices.

All the selected fabrics are of a high commercial grade and are separated into price categories, so you can get the most out of your furniture.

We can upholster or even re-upholster your new or existing furnishings in any fabrics, these selections are just our favourites for their high quality, colour availability and durability.

Office Line. Top of the class in educational furniture.

Office Line is a Perth-based company who have been supplying kindergartens, schools and colleges with quality furniture and fittings since 1988. We can provide everything from a few chairs and desks to a complete classroom, library or office fit out.
