OFFICE LINE.

TOP OF THE CLASS IN EDUCATIONAL FURNITURE

Office Line is a Perth-based company who have been supplying kindergartens, schools and colleges with quality furniture and fittings since 1988. We can provide everything from a few chairs and desks to a complete classroom, library or office fit out.

Family owned and operated, we pride ourselves on offering a personal and professional service to our many clients around Australia. Our friendly team will help you from the initial consultation, right through to the final install and our free in-house design service will ensure your new furniture will look perfect in the space.

This guide is a selection of our most popular products, however we are not limited to this range and can offer many other sizes, colours and solutions to suit your requirements.

CLASSROOM FURNITURE

CLASSROOM STORAGE

Classrooms, especially those in kindergarten and primary schools, often become cluttered and disorganised. It is important to invest in school storage trays that help keep your classroom organised and your belongings safe.

Here at Office Line, we work hard to ensure that our products enhance the classroom learning experience. We understand the specific needs of the educational sector, and we tailor our products and services to fulfill these requirements.

FABRICS & FINISHES

We demand a lot from our fabrics and surfaces. Our fabric specifications consider durability, maintenance, rub, catch, sun fade and more, all while being tested to Australian Standards.

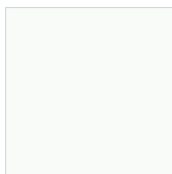

Accidents happen, and our fabrics and surfaces need to withstand our everyday activities, especially within a school or public environment. Our standard selection of finishes are selected to endure the wear and tear of frequent use, and many other high grade commercial options are also available.
