

## Height Adjustable Mobile Desk

The Height Adjustable Mobile Desk is designed for flexibility and ergonomic comfort in offices, classrooms, and home environments. With an adjustable height and tiltable desktop, it provides a versatile and space-saving solution for working, teaching, or presenting.

### Features:

- **Height Adjustable** – Smooth side lever adjusts from 760mm (sitting) to 1110mm (standing).
- **Tiltable Desktop** – Adjustable surface for optimal viewing angles or vertical position for storage.
- **Mobile & Lockable** – Two caster wheels for mobility with lockable function for stability.
- **Strong & Durable** – Supports up to 8kg, ensuring stability and reliability.
- **Multi-Purpose** – Ideal as a laptop desk, lectern, or mobile workspace for various settings.
