

INTRODUCING THE

SEATING AND SOFT FURNISHINGS RANGE

SPECIALISED | STYLISH | STREAMLINED

PERFECT FOR ANY SEAT OF LEARNING.

We spend a lot of time sitting. In fact, it's estimated the average student or office worker spends around six to eight hours a day seated. So it's important that chairs, stools, sofas and soft furnishings are not only comfortable, but also able to withstand the rigours of daily classroom or commercial use.

At Office Line, we've created a new Seating and Soft Furnishings Range which covers everything from basic and practical stackable chairs through to the latest in leather office chairs and designer soft furnishings.

Every item in the range has been chosen for its good looks, ergonomic design and hard-wearing construction. And every item's backed up with a solid warranty.

So whether you need seating for a classroom, office, auditorium or commercial space, we're bound to have something that will sit perfectly.

Office Line. Top of the class in educational furniture.

Office Line is a Perth-based company who have been supplying kindergartens, schools and colleges with quality furniture and fittings since 1988.

We can provide everything from a few chairs and desks to a complete classroom, library or office fit out.

Our expertise lies in understanding the specialist needs of the education sector.

Our wide selection of high quality products means that we can always find the most suitable solution at the most competitive price.

STUDENT CHAIRS.

Since we began business in 1988, we have supplied thousands of chairs to hundreds of schools.

We choose our student chairs for practicality and durability so you can be sure they will stand the test of time. And every chair comes with a generous warranty to back this up.

Choose from a huge palette of colours including primaries, neutrals and bright, vibrant modern hues.

Office Line is the Australian agent for leading UK furniture brand Spaceforme, whose great-looking products are built to comply with all educational codes and standards.

SPACEFORME – STUDENT CHAIRS – EN CLASSIC COLLECTION

REQUEST A QUOTE.

The EN Classic is the perfect chair for the modern seating environment, manufactured to a high specification to meet the needs of a high use chair. The EN Classic is designed with a robust yet flexible shell and a welded steel frame. Exceptional ergonomic shell support is provided to the lower back, flexing naturally with the user's movement. EN Classic can easily fit with a 600 wide Eduflex™ table.

Our Office Line COLOUR RANGE brochure has all the detailed specifications on this great product.

OFFICE LINE – STOOL COLLECTION

Sometimes, a simple seating solution is all you need. That's when a stylish, space-saving stool can be ideal. Our stools come in a range of shapes and sizes making it easy to choose the one that's right for your school or office needs.

Pair your stools with other selections from the DESK and TABLE RANGE or the COLOUR RANGE for your total office requirements.

Office Line have samples of most products available for you to view and trial prior to purchase.

OFFICE LINE – STOOL COLLECTION

REQUEST A QUOTE.

AXIS STOOL

The Axis is a dynamic seating option that features a convex base which allows the user to move freely in a manner that is natural to our behaviour. This relieves stress of an otherwise static loading of our musculoskeletal system. Performs as a 'sit n stand' stool with 'sit n stand' desks.

AXIS STOOL
Black seat pad

AXIS STOOL
Blue seat pad

FEATURES

- › Polypropylene construction
- › Healthy seating positions
- › Encourages movement
- › Gas lift.

USES

- › From education or office to home and everything in between.

FINISHES

- › Body – Black polypropylene
- › Seat pad – fabric
- › Colour options – Black or Blue.

DIMENSIONS

- › Seat height from 595 – 840 mm
- › Seat and base 330mm diameter.

ADJUSTA STOOL

With a rotating convex base Adjusta forms one leg of a stable tripod, your own legs provide the other two parts. That means you are constantly flexing, adjusting and moving; the ideal way to stay focused and concentrate. But the coolest thing around Adjusta is that it is gas height adjustable which means it suits a broad range of ages.

ADJUSTA STOOL
Adjustable base

ADJUSTA STOOL
Action

FEATURES

- › Lightweight
- › Polypropylene construction
- › Underseat grip handles
- › Child to adult seat height positions on pneumatic cylinder.

AFRDI Level 6 Certified

GREGORY CHAIRS FROM OFFICE LINE

Gregory, an Australian company, is famous for its high-quality, ergonomic office chairs which can be now found in thousands of offices around the world. It was founded in 1987 by physiotherapist Peter Gregory who was determined to address the biggest cause of occupational back pain; the humble office chair. His award-winning support system is what makes Gregory chairs so comfortable.

Please call us if you would like to test drive a Gregory Chair.
It would be our pleasure to offer this service.

OFFICE LINE – SOFT FURNISHINGS.

We pride ourselves on providing a broad selection of styles that meet a multitude of seating requirements.

With a beautiful selection of fabric choices to suit your space and provide comfort for areas such as reception, visitor, library and many other uses. All of our soft furnishings range are made to be classic or fun dependent on your needs.

All products are also manufactured locally to quality grade specifications.

OFFICE LINE – SOFT FURNISHINGS – ROHE SOFA COLLECTION
