

INTRODUCING THE

SEATING AND SOFT FURNISHINGS RANGE

SPECIALISED | STYLISH | STREAMLINED

PERFECT FOR ANY SEAT OF LEARNING.

We spend a lot of time sitting. In fact, it's estimated the average student or office worker spends around ten hours a day seated. So it's important that chairs, stools, sofas and soft furnishings are not only comfortable, but also able to withstand the rigours of daily classroom or commercial use.

At Office Line, we've created a new Seating and Soft Furnishings Range which covers everything from basic and practical stackable chairs through to the latest in leather office chairs and designer soft furnishings.

Every item in the range has been chosen for its good looks, ergonomic design and hard-wearing construction. And every item's backed up with a solid warranty.

So whether you need seating for a classroom, office, auditorium or commercial space, we're bound to have something that will sit perfectly.
