

INTRODUCING THE

SEATING AND SOFT FURNISHINGS RANGE

SPECIALISED | STYLISH | STREAMLINED

PERFECT FOR ANY SEAT OF LEARNING.

We spend a lot of time sitting. In fact, it's estimated the average student or office worker spends around six to eight hours a day seated. So it's important that chairs, stools, sofas and soft furnishings are not only comfortable, but also able to withstand the rigours of daily classroom or commercial use.

At Office Line, we've created a new Seating and Soft Furnishings Range which covers everything from basic and practical stackable chairs through to the latest in leather office chairs and designer soft furnishings.

Every item in the range has been chosen for its good looks, ergonomic design and hard-wearing construction. And every item's backed up with a solid warranty.

So whether you need seating for a classroom, office, auditorium or commercial space, we're bound to have something that will sit perfectly.

Office Line. Top of the class in educational furniture.

Office Line is an Australian-based company who have been supplying kindergartens, schools and colleges with quality furniture and fittings since 1988.

We can provide everything from a few chairs and desks to a complete classroom, library or office fit out.

Our expertise lies in understanding the specialist needs of the education sector.

Our wide selection of high quality products means that we can always find the most suitable solution at the most competitive price.

STUDENT CHAIRS.

Since we began business in 1988, we have supplied thousands of chairs to hundreds of schools.

We choose our student chairs for practicality and durability so you can be sure they will stand the test of time. And every chair comes with a generous warranty to back this up.

Choose from a huge palette of colours including primaries, neutrals and bright, vibrant modern hues.

Office Line is the Australian agent for leading UK furniture brand Spaceforme, whose great-looking products are built to comply with all educational codes and standards.

SPACEFORME – STUDENT CHAIRS – EN CLASSIC COLLECTION

REQUEST A QUOTE.

The EN Classic is the perfect chair for the modern seating environment, manufactured to a high specification to meet the needs of a high use chair. The EN Classic is designed with a robust yet flexible shell and a welded steel frame. Exceptional ergonomic shell support is provided to the lower back, flexing naturally with the user's movement. EN Classic can easily fit with a 600 wide Eduflex™ table.

Our Office Line COLOUR RANGE brochure has all the detailed specifications on this great product.

EN FLOOR CHAIR

REQUEST A QUOTE.

Sitting on the floor has never been so comfortable. The EN Floor Chair offers support from the ground up to promote good posture and keep students comfortable and engaged from a stable sitting position.

It provides all the benefits of our EN Classic chair without the legs! Teachers have commented that it actually encouraged them to sit on the floor during carpet activities, providing better interaction with the children on their level.

The EN Floor Chair is perfect for carpet time in educational spaces, outdoor activities and general use. Its a multipurpose chair that provides a better comfortable sitting position. Raising the seat off the ground prevents fingers getting caught when moving in the chair. The uses for the floor chair are endless.

Children with learning difficulties such as autism, need to feel that they have contact with an item. Feedback from teachers in the educational industry have confirmed to us that it has enabled them to improve concentration and security for the children.

OFFICE LINE – STOOL COLLECTION

Sometimes, a simple seating solution is all you need. That's when a stylish, space-saving stool can be ideal. Our stools come in a range of shapes and sizes making it easy to choose the one that's right for your school or office needs.

Pair your stools with other selections from the DESK and TABLE RANGE or the COLOUR RANGE for your total office requirements.

Office Line have samples of most products available for you to view and trial prior to purchase.

STOOL COLLECTION

REQUEST A QUOTE.

AXIS STOOL

The Axis is a dynamic seating option that features a convex base which allows the user to move freely in a manner that is natural to our behaviour. This relieves stress of an otherwise static loading of our musculoskeletal system. Performs as a 'sit n stand' stool with 'sit n stand' desks.

FEATURES

- › Polypropylene construction
- › Healthy seating positions
- › Encourages movement
- › Gas lift.

FINISHES

- › Body – Black polypropylene
- › Seat pad – in Black or Blue

DIMENSIONS

- › Seat & base 300mm diameter.
- › Gas Lift Height Adjustment: 595–840 mm

ADJUSTA STOOL

With a rotating convex base Adjusta forms one leg of a stable tripod, your own legs provide the other two parts. That means you are constantly flexing, adjusting and moving; the ideal way to stay focused and concentrate. But the coolest thing around Adjusta is that it is gas height adjustable which means it suits a broad range of ages.

FEATURES

- › Lightweight
- › Polypropylene construction
- › Underseat grip handles
- › Child to adult seat height positions on pneumatic cylinder.

FINISHES

- › Yellow, Blue, Red, White with Green Seat
- › Or customise with any fabric

DIMENSIONS

- › 305mm diameter top
- › Gas Lift Height Adjustment: 400–500mm range.

MOOVE STOOL

The durable polypropylene Moove stool is perfect for just perching or sitting comfortably upright for longer periods. Its streamlined design and bright colours bring energy to any room. The Moove performs the same as an Adjusta except with fixed optional heights.

FEATURES

- › Polypropylene construction
- › Lightweight.

FINISHES

- › Available in Red, Yellow, Green, Blue with Mid Grey seat insert.

DIMENSIONS

- › 300 diameter
- › Seat height: 330h, 380, 420h options.

STOOL COLLECTION

REQUEST A QUOTE.

INDI GAS LIFT UPHOLSTERED STOOL

A versatile mobile stool of classic design. Very comfortable to use and suitable for both students and teachers.

INDI STOOL
Lowest point

FEATURES

- › Upholstered. (refer our BLACK + WHITE RANGE for the PU version)
- › With or without foot-ring
- › Height adjustable
- › 5 castor base

FINISHES

- › Refer to FABRICS & FINISHES Range

DIMENSIONS

- › Seat diameter 400mm, with 420 – 560h range for small version and 570 – 830h for drafting version with foot-ring.

COB STOOL

Ready to be overturned, the Cob Stool can be used up or down, reinventing its design for endless possibilities. Its form stands out almost undefined as for their usage, therefore completely free to suggest different purposes.

FEATURES

- › Lightweight and sturdy
- › 85% Polypropylene | 15% Fiberglass Shell construction
- › UV Resistant
- › 135kg Weight Capacity
- › Suitable for Indoor & Outdoor Use

DIMENSIONS & FINISHES

- › 300mm Diameter x 440h
- › Available in Black or White with Matching or Contrast Mustard Band

White/Mustard

Black/Mustard

EDUFLEX STOOL

A strong, traditional stool ideal for science labs, art classrooms and workshops. The basic frame design provides great strength and stability, and its 4-sided footrest gives excellent leg support.

GREGORY CHAIRS FROM OFFICE LINE

Gregory, an Australian company, is famous for its high-quality, ergonomic office chairs which can be now found in thousands of offices around the world. It was founded in 1987 by physiotherapist Peter Gregory who was determined to address the biggest cause of occupational back pain; the humble office chair. His award-winning support system is what makes Gregory chairs so comfortable.

Please call us if you would like to test drive a Gregory Chair.
It would be our pleasure to offer this service.
