

PAZZO

2016 Pazzo (Call Me Crazy)

Pazzo marries the best features of several varietals to create a unique and sophisticated Sangiovese-based blend. We enjoy tinkering with the other varietals to produce a balanced and approachable wine that is rich in flavor and aromas. A finishing touch of Cabernet from our own estate vineyard rounds out the blend and heightens the mid-palate. To ensure each varietal is grown in optimal conditions, we source from suitable locations within the Valley.
