As a manufacturer or importer, you are expected to maintain the normal books and records of a prudent businessperson. You are required to maintain these books and records for no less than four years, and make them available for inspection by a Board of Equalization (BOE) representative when requested. In addition, importers must keep the records on file at the location identified on their license for at least one year after the date of purchase. Specific requirements are set forth in the Cigarette and Tobacco Products Licensing Act of 2003.
