

Locating the dedicated land (Wansley Manor Lordship)

There is a post and plaque in the centre of the dedicated land which you may wish to visit; below is a map which provides directions to find this. Please feel free to enjoy the other walks in Great Knott Wood as there are a number of footpaths which you can follow which are all open to the public.

Please note: Some of the paths in Knott Wood are quite steep and uneven; wear sensible shoes or walking boots and we recommend the walk only for those in good health. Please be aware that sometimes tree felling takes place in the wood; there will always be signs warning of this; do not enter into any areas which are signposted accordingly. Walking can be a dangerous activity and all visits to the dedicated land are undertaken entirely at your own risk. All walks, maps, descriptions and route data are provided in good faith, but must be regarded as approximate. We can make no guarantee as to their accuracy. It is each visitor's responsibility to ensure that the walk and the weather conditions are within their capabilities. **We accept no liability for any accidents or injuries which may occur on the dedicated land or due to errors on the website, information brochure or this document.**
