### Ortak Ring Sizing Guide

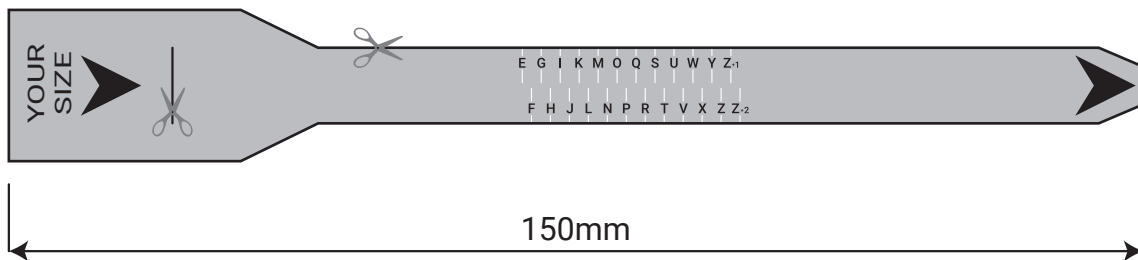

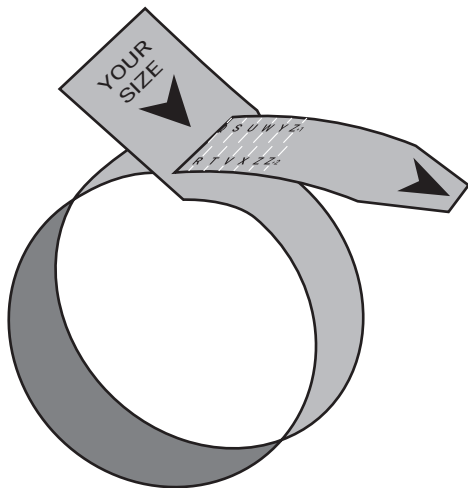

Please use this as a guide only and have your finger measured at a jewellers when possible.

If you have an existing ring, lay it on top of one of the circles opposite to give you an idea of its size.

Cut out the measuring gauge at the bottom of the page and make a slit where indicated. Wrap around finger and your size should appear where indicated. Make sure it can still pass over the widest part of your finger.

Ortak hold no responsibility for the wrong ring size being ordered using this guide exclusively.
