

Ring of Fire, Johnny Cash

D        G        D  
Love is a burning thing

                  A     D  
And it makes a fiery ring

D        G        D  
Bound by wild desire

D                A     D  
I fell in to a ring of fire

A                G                D  
I fell into a burning ring of fire

                  A  
I went down, down, down

                  G                D  
And the flames went higher

D  
And it burns, burns, burns

G                D     A     D  
The ring of fire, the ring of fire
