**Warning**

Read all instructions and warnings prior to using this product. Failure to read and follow these safety instructions could result in fire, explosion, electrical shock or other hazard, causing serious and/or fatal injury and/or property damage.

1. Do not modify, disassemble, open, drop, crush, puncture or shred the product.
2. Do not expose the product to rain or water.
3. Keep away from open flame or sunlight to prevent heat build-up.
4. Keep away from high voltage devices.
5. This product is not a toy, keep away from children. Ensure that all persons who use the product read and follow these warnings and instructions.

**Warranty**

This product is covered by a limited warranty from Jackery for the original purchaser that covers the product from defects in workmanship and materials for 24 months from the date of purchase (damage through normal wear and tear, alteration, misuse, neglect, accident, service by anyone other than the authorized service center, or act of God are not included).

During the warranty period and upon verification of defects, this product will be replaced when returned with proper proof of purchase.

**Instruction**

Charge your device

Connect Armor to device via USB output port. Press the Power Button to start charging your device.

The Armor is compatible with most USB powered peripherals. For devices that do not support USB output, please use the original charging cable.

**Alternate method:**
Charge via any 5V/2A USB adapter for optimal charging.

**Charge via computer:**
Recharge your Jackery Armor via computer.

**Charge via AC power:**
An AC power adapter is recommended for large capacity charging.
