**Instruction**

**Charging Your Device**
To charge your device, use a USB charging cable to connect the Mini to your device, then press the power button once to initiate charging.

It's recommended to use the original AC adapter and USB charging cable of your mobile device.

**Check the Remaining Battery**
Press the power button once to check the battery level by reading the LED indicators from left to right.
- 1 LED on: Battery level < 10%
- 2 LEDs on: Battery level 10%-29%
- 3 LEDs on: Battery level 30%-49%
- 4 LEDs on: Battery level 50%-79%
- 5 LEDs on: Battery level 80%-99%

- Thank You Card

**Charging Jackery Mini**
To charge the Jackery Mini, use the micro USB charging cable to connect the Mini to a USB AC adapter or computer USB port. The LED indicators will display on or off. If charging, all four LEDs are on; full charging is complete. It takes about 5 hours to fully charge the Mini.

**Warnings**

To keep your phone powered on, it is time to recharge the battery when there is one LED light blinking. We highly recommend you to recharge the battery at least once a month.
