

VANITY PLANET

# Gleam

Dual-sided LED  
1x/7x Magnifying Mirror

User Guide

Vanity Planet is the whole-body beauty brand that makes essential self-care accessible to all.

V|P

The Gleam Dual-Sided LED 1x/7x Magnifying Mirror is an essential piece for making the most of your beauty routine. Bring clarity and precision to your makeup regimen, so you can achieve whatever look you want, at any time of the day. With 3 LED light settings, you can doll up in cool, natural, or warm light, depending on your personal preference and environment.

While one side of the mirror offers standard magnification, the other has a 7x magnification for applications and maintenance that require more detailed attention.

# Features.

- 3 LED Light Settings: Cool, Natural, Warm
- Diffused Ring Light for Minimized Shadow
- 1x & 7x Magnification
- 360° Flip Rotation with Tilt Head Design
- Simple ON/OFF/MODE Touch Switch
- Operated on 4xAA Batteries for Cord-Free Use
- 15 Minute Auto-Shutoff Timer for Extended Battery Life

Using your Gleam.

1. Lay the mirror down on a flat, dry surface, remove the battery compartment cover, insert 4xAA batteries matching the polarity symbols, and then close the compartment
2. Set the mirror upright, facing you so the power touch switch is on the right side of the mirror
3. Tap the power symbol to turn on the LED feature
4. Tap the power symbol to cycle through cool light, natural light, and warm light, after which the device will turn OFF
5. Rotate the head of the mirror to flip between normal view and 7x magnified view (if you click the touch switch on one side, it controls both sides of the device)

# Taking Care.

## Cleaning the Device:

To remove any residue or buildup, clean the base and handle once a week by taking a slightly damp cloth and wiping down the body of the device. Clean the mirror surface by spraying a glass cleaner on a cloth and wiping it down—do not spray the surface directly.

## Battery Disposal/Recycling Instructions:

- Only install new batteries of the same type in your product, and do not mix old and new batteries.
- Failure to insert batteries in the correct polarity, as indicated in the battery compartment, may shorten the life of the batteries or cause batteries to leak.
- Do not mix old and new batteries.
- Do not mix Alkaline, Standard (Carbon-Zinc) or Rechargeable (Nickel Cadmium or Nickel Metal Hydride) batteries.
- Do not dispose of batteries in fire.
- Batteries should be recycled or disposed of as per state and local guidelines.

# Tips & Warnings.

To ensure that you experience the full range of benefits from the Vanity Planet Glean Dual-Sided LED 1x/7x Magnifying Mirror, we recommend the following:

- Keep the mirror out of the reach of children
- Do not soak the mirror in water or any other liquids
- Make sure the mirror is turned OFF when not in use and before cleaning
- Keep the mirror away from heated surfaces and flammable materials
- Do not attempt to use the mirror if it is broken or cracked
- Ensure the mirror is OFF before changing the batteries
- NOTE: Keep the mirror out of direct sunlight, as the magnifying feature can reflect and cause increased heat, becoming a fire hazard

# One-Year Warranty

This Vanity Planet product is warranted to be free of manufacturer's defects in materials or workmanship for one year from the date of purchase. Damage or wear resulting from an accident, misuse, abuse, commercial use, or unauthorized adjustment and/or repair are not covered under this warranty.

Should this product require warranty service (or replacement at our discretion) please contact client service to obtain a Return Merchandise Authorization number (RMA) and return instructions; proof of purchase is required. Products returned without a Vanity Planet generated RMA number will not be accepted and the sender will not receive a refund, replacement, or repaired product.
