Say hello  
to true  
beauty.

# Using Pose

- Make sure Pose's 1000mAh Li-polymer battery is fully charged
- After switching the device on, place your finger on the power symbol and the mirror will light up
- To adjust the brightness, keep your finger on the power symbol until the mirror has reached the level you would like
- To turn the light off, press the power symbol again
- A flickering light means that Pose has nearly lost its charge.
