

VANITY PLANET

Vina

Hydrating & Infusing Facial Device

USER GUIDE

Includes

- Vina Hydrating & Infusing Facial Device
- Three Silicone Tips
- Charging Cable
- User Guide

Experience gentle deep cleansing with our handheld Hydrating and Infusing Facial Device. Vina uses the power of water or serums to freshen skin, lift debris and oils, and moisturize dry complexions. Suction away impurities and supercharge hydration for healthy radiance and a rejuvenated glow.

Features

HANDHELD DEEP CLEANSING

Exfoliates to leave skin baby soft and ultra-hydrated

INFUSE WHILE CLEANSING

Infuse hydration into the skin while giving a deep pore cleanse

REVITALIZE & REJUVENATE

Remove impurities, helps visibly reduce lines, and plump skin

MICROBUBBLE DERMABRASION

Relax and resurface while vacuuming away impurities

Benefits

This device works for a wide range of skin concerns at any age. Use in conjunction with our hydrating liquid solution to form ultra-fine microbubbles to promote gentle suction to remove dead skin, acne causing dirt, and oils. While gently exfoliating your skin, the device works to deeply hydrate by adding oxygenating bubbles. Use to remove aging keratino-cytes, dulling sebum and impurities, while enriching your complexion with skin-plumping, hydrating nutrients.

- Vacuums away impurities and blackheads
- Cleanses and exfoliates for baby soft skin
- Oxygenates for deeply hydrated skin
- Unclogs pores and plumps fine lines
- Includes 3 silicone tips and 3 adjustable speeds
- Hydrating liquid sold separately

Instructions

COMPONENTS & OPERATION

- Detach the solution unit and add special hydrating liquid
- Attach the solution unit back onto the device
- Select the silicone tip of choice (note suction strength below)
- Cleanse the solution unit before adding hydration liquid
- Fill hydrating liquid to recommended line on the solution unit

The small silicone tip is designed for the tinier areas around the nose and mouth such as the nasolabial folds. The larger tip is suitable for all areas of the face such as the forehead. The soft tip is suitable for individuals with delicate skin.

OPERATING INSTRUCTIONS

1. Charge the unit
2. Press ON switch, hold for 2 seconds to begin operation
3. Adjust desired speed for appropriate suction

SUCTION STRENGTH

Green: Low Suction

Blue: Middle Suction

Red: High Suction

USAGE NOTES

- Suction strength provides three distinct comfort levels
- Choose the appropriate suction based on personal choice
- Stop usage immediately if discomfort occurs
- Recommended use is once per week
- Excessive use or improper use can lead to skin irritation or light bruising
- Do not store in high temperatures and areas of humidity and dust
- Turn off when not in use and charge for future usage
- Disconnect power supply by separating the charging cable if not in use for more than 7 days
- Do not submerge in water to clean unit
- Do not use chemicals when wiping down unit
- Prevent product from falling
- Do not disassemble or try to repair the unit yourself
- This product is NOT intended for use by children
- Keep away from children

Charging

1. Connect the USB charging cable (included) to the host (mobile phone charger, portable battery, automotive USB connector, or notebook USB interface)
2. Recommended to use chargers above d.c5v/500mah
3. Indicator light displays red when in charge mode and green when completely charged
4. Charge only in shutdown OFF state

FCC Statement

This device complies with part 15 and part 18 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

FCC Statement

However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the product off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the product and receiver.
- Connect the product into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

One-Year Warranty

All of our products come with a one-year warranty. Should the product contain manufacturer defects or if it does not work upon arrival, this warranty covers a max of two replacements within one year from the date you received your order. This warranty does not cover physical damage from misuse or accidental damage to the product. We will only honor warranty claims of purchases made from Vanity Planet or authorized dealers.

30-DAY CUSTOMER SATISFACTION GUARANTEE

If it doesn't work for you, it doesn't work for us.

That's our Customer Satisfaction Guarantee. If you are not completely satisfied with your Vanity Planet purchase, please review our return and refund policies on our website.
